DUAL Australia Resource Liability

Policy Wording

Section 1: Preamble

- 1.1** In consideration of payment of the premium and subject to the terms and conditions of the **policy** and the **indemnity limit**, and in reliance upon the disclosures made in the **proposal**, **we** agree to provide insurance on the terms set out in this **policy**.

Section 2: Insuring Clauses

2.1 Liability

We agree to pay to or on behalf of the **insured** all amounts which the **insured** shall become legally liable to pay as **compensation** in respect of:

- a. **personal injury**;
- b. **property damage**; and/or
- c. **advertising liability**,

happening during the **insurance period** within the **territorial limits**, caused by an **occurrence** in connection with the **insured's business** or **products**.

2.2 Defence Costs and Supplementary Payments

Where coverage is provided under Insuring Clause 2.1 (Liability), **we** agree to:

- a. defend, in the name of and on behalf of the **insured**, any claim or suit against the **insured** alleging the **insured's** legal liability to pay **compensation** in respect of any **personal injury**, **property damage** or **advertising liability**, even if there is no legal and/or factual basis for the claim or suit; and
- b. pay reasonable legal costs and expenses, incurred by **us** and/or by the **insured** with **our** prior written consent (which shall not be unreasonably withheld or delayed) in:
 - i. defence or settlement of such claim or suit;
 - ii. bringing or defending appeals in connection with such claim or suit; and
- c. pay reasonable expenses incurred by the **insured** for first aid administered to others (by **medical persons** employed by the **insured**) at the time of **personal injury** caused by an **occurrence** (other than any medical expenses prohibited by any law); and
- d. pay reasonable expenses incurred by the **insured** with **our** prior written consent (which shall not be unreasonably withheld or delayed) as a result of **property damage**, for the temporary repair of, shoring up or preservation of property which has been damaged.

Any amounts payable by **us** under this Insuring Clause 2.2 are in addition to the applicable **indemnity limit**. However, in respect of any claims or suits originating in any court in North America, the applicable **indemnity limit** for amounts payable under this Insuring Clause 2.2 shall be inclusive of all defence costs and supplementary payments and not in addition to it.

In the event of a payment exceeding the **indemnity limit** being made to finalise a claim, **our** liability to pay costs, expenses and interest under the **policy** shall be limited to the portion of those costs, expenses and interest that the **indemnity limit** bears to the amount paid to finalise the claim.

2.3 Limits of Liability

- a. The **indemnity limit** is the amount stated in the **schedule**. This is the maximum amount which:
 - i. **we** shall be liable to pay in respect of any one claim or series of claims for **general liability** arising out of any one **occurrence**;
 - ii. **we** shall be liable to pay in respect of any one claim or series of claims, and in the aggregate during any one **insurance period**, for **products liability**.
- b. A sub-limit of indemnity may apply to an Extension as specified in the **schedule**, which is part of and not in addition to the **indemnity limit** unless otherwise stated in the **policy**. **We** will have no liability in excess of the sub-limits specified in the **schedule** in the aggregate for the applicable Extension, irrespective of the number of **policy** sections, which respond to the claim or **investigation** associated with the **occurrence**. In such circumstances, **we** will apply the higher of the sub-limits or **indemnity limit** available.
- c. Except as otherwise stated in the **policy**, costs and expenses incurred by **us** in determining whether **we** are liable to indemnify the **insured** under the **policy** will not erode the **indemnity limit** and will be met by **us**.

2.4 Deductible

- a. The applicable **indemnity limit** will not be reduced by any applicable **deductible** payable by the **insured**. However, in respect of any sub-limited items, the sub-limit shall be additional to any applicable **deductible**.
- b. **Our** liability under the **policy** will only apply to that part of any **compensation, investigation costs**, defence costs or supplementary payments, which is in excess of the **deductible** specified in the **schedule**. Such **deductible** will be borne by the **insured**, except where otherwise provided. Unless otherwise expressed in the **schedule**, all **deductibles** are inclusive of **investigation costs**, defence costs and supplementary payments.

Section 3: Automatic Extensions

Subject to all the terms and conditions of the **policy**, **we** further agree to extend cover under the **policy** as follows.

3.1 Attendance at Investigations

Where coverage is provided under Insuring Clause 2.1 (Liability), **we** agree to pay to or on behalf of the **insured** all **investigation costs** arising from the **insured's** attendance at or preparation for any **investigation**.

This Automatic Extension applies only if:

- a. **our** consent is obtained before such costs are incurred; and
- b. the **insured** notifies **us** that the **insured** is legally compelled to attend the **investigation**, or **we** agree that it is reasonable for the **insured** to attend the **investigation**; and
- c. the **investigation** is not being held outside Australia.

At **our** option, **we** can nominate the legal advisers to represent the **insured** at or for the **investigation**.

However:

- a. **our** liability under this Automatic Extension 3.2 is limited to the amount shown in the **schedule** in respect of each claim or series of claims arising out of any one **occurrence** during the **insurance period**; and
- b. the cover provided under this Automatic Extension 3.2 operates in addition to and shall not in any way affect the cover provided under Insuring Clause 2.2 (Defence Costs and Supplementary Payments).

3.3 Hot Work

Notwithstanding Exclusion 5.15 (Hot Work), **we** agree to pay on behalf of the **insured** all sums which the **insured** shall become legally liable to pay as **compensation** in respect of **personal injury** or **property damage** happening during the **insurance period** and arising from the **insured** undertaking any **hot work**, provided that the **insured** fully complies with any applicable Australian Standard in relation to the conducting of that **hot work** at the time.

3.4 Panel Counsel

The **insured** is entitled to one (1) hour of free advice per enquiry from any one firm listed on **our** panel of solicitors for any matter relevant to the risks insured by the **policy**. **We** consent to that firm listed on our panel of solicitors being retained to act for an **insured** in respect of any claim covered by the **policy**.

- a. such faulty workmanship relates solely to the maintenance of machinery owned by a third party; and
- b. the original work:
 - i. was performed by the **insured**; and
