#### **Trade sanctions**

Liberty will not be deemed to provide cover nor be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Liberty or its parent to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom, United States of America or other applicable jurisdiction.

# **Duty of disclosure**

Before you enter into a contract of general insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 (Cth), to disclose to the insurer every matter that you know, or could reasonably be expected to know, that is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms. You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance.

Your duty however does not require disclosure of a matter:

- that diminishes the risk to be undertaken by the insurer;
- that is of common knowledge;
- that your insurer knows or, in the ordinary course of its business, ought to know; or
- as to which compliance with your duty is waived by the insurer.

# Non-disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce their liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

### Subrogation

If Liberty grants indemnity under this policy, then Liberty shall be subrogated to all of the Insured's rights of recovery against any person, trustee, company or entity whether or not a payment has in fact been made and whether or not the Insured or Insured Person has been compensated in full for their loss. The Insured must, at its own cost, provide all reasonable assistance to Liberty (including, but not limited to giving information, signing documents and giving evidence) to help enforce those rights. The Insured must not do anything that may prejudice Liberty's position or potential or actual rights of recovery against any parties.

#### Claims Made insurance

This is a proposal for a 'Claims Made' policy of insurance. This means that the policy covers you for any claims made against you and notified to the insurer during the policy period or any applicable reporting period. The policy does not provide cover in relation to:

- any claim made, threatened or intimated against you prior to the commencement of the policy period;
- any claim or fact that might give rise to a claim, reported or which can be reported to an insurer under any insurance policy entered into before the commencement of the policy period;
- any claim or fact that might give rise to a claim, noted in this proposal or any previous proposal;
- any claim arising out of any fact you are aware of before the commencement of the policy period;
- any claim made against you after the expiry of the policy period.

However, the effect of Section 40(3) of the Insurance Contracts Act 1984 (Cth) is that where you become aware, and notify us in writing as soon as is reasonably practicable after first becoming aware but within the policy period, of any facts which might give rise to a claim against you, any claim which does arise out of such facts shall be deemed to have been made during the policy period, notwithstanding that the claim was made against you after the expiry of the policy period.

### Inadequate space to answer

If there is inadequate space to answer any of the questions or make any comment or you need to disclose something to us because of your Duty of Disclosure, please attach a separate piece of paper to this proposal giving full details of additional information.
