Important Notice

Your Duty Of Disclosure

Before you enter into a contract of general insurance with an insurer, you have a duty, under the Insurance Contracts Act 1984 (Cth), to disclose to the insurer every matter that you know, or could reasonably be expected to know, is relevant to the insurer's decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to the insurer before you renew, extend, vary or reinstate a contract of general insurance

Your duty however does not require disclosure of matter:

- ▶ that diminishes the risk to be undertaken by the insurer;
- ▶ that is of common knowledge;
- ▶ that your insurer knows or, in the ordinary course of its business, ought to know;
- ▶ as to which compliance with your duty is waived by the insurer.

Non Disclosure

If you fail to comply with your duty of disclosure, the insurer may be entitled to reduce their liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, the insurer may also have the option of avoiding the contract from its beginning.

Inadequate Space To Answer

If there is inadequate space to answer any of the questions or make any comment or you need to disclose something to us because of your Duty of Disclosure, please attach a separate piece of paper to this questionnaire giving full details of additional information.

If you are completing this proposal form for multiple plantations we have included additional pages at the end of this form that you can complete to supply the required details for all plantations.

If you do not require this additional space, please ignore these duplicated pages, and simply complete pages 3,4, 5 and 6.
