No matter if it's an EV (Electric Vehicle) or a traditional vehicle, our product will help protect it.

This PDS will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs. You need to decide if this insurance is right for you and you should read all of the documents that make up the policy to ensure you have the cover you need.

Some words have special meanings

Certain words used in the Policy have special meanings. The General Definitions section of this document on pages 9 and 10 contains such terms. In some cases, certain words may be given a special meaning in a particular section of the Policy when used or in the other documents making up the Policy.

Headings are provided for reference only and do not form part of the Policy for interpretation purposes.

Paying Your Premium – Instalments

If you pay your premium by instalments, you must ensure that they are paid on time. We will notify you if an instalment has not been paid and we will try to deduct the overdue amount along with your next regular payment. If the next attempt to deduct the outstanding amount fails, we will cancel your policy for non-payment. We will send you a notice advising you of cancellation, and cancellation will be effective 14 days from the date on the notice. Refer to the "Conditions of cover" section for important details on your and our rights and obligations.

Customer Care – Customers Experiencing Vulnerability

We recognise that you may find yourself in difficult circumstances, particularly when a claim event occurs. We have developed a Customer Care process to provide additional support to you if you are experiencing vulnerability due to your circumstances, including personal circumstances that are not directly related to insurance. The General Insurance Code of Practice provides the following examples that may contribute to someone needing customer care:

- age
- disability
- mental health conditions
- family violence
- language barriers
- literacy barriers
- cultural background
- Aboriginal or Torres Strait Islander status
- remote location; or
- financial distress

More information about the customer care we can offer and how we support you is available on our website.

How We calculate Your premium

The amount of Your premium is determined by taking a number of different matters into account. You can seek a quote at any time.

It is important for You to know that the premium varies depending on the information We receive from You about the risk to be covered by Us. Based on Our experience and expertise as an insurer, We decide what factors increase Our risk and how they impact on the premium.

The base premium We charge varies according to a number of factors including Your risk profile. Your risk profile is based on a combination of factors that assist in determining the likelihood of a claim occurring in the Policy year and the amount that the claim is likely to cost Us. The factors that make up Your risk profile include Your relevant driving history and driving experience, relevant claims and incident/accident history. Other factors are then taken into account such as where the Vehicle is located, the type of Vehicle being insured and its condition, any modifications, the amount of cover required and excesses selected and relevant insurance, criminal and bankruptcy history.

Factors that increase the risk to Us may result in a higher base premium whilst factors that decrease Our risk may result in a lower base premium.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST, Emergency Services Levy/ESL) in relation to Your Policy. These amounts will be set out separately on Your schedule of insurance as part of the total premium payable.

In cases where We are required to pay an estimated amount (e.g. for Emergency Services Levies) based on criteria set by the Government, we allocate to the Policy Our estimate of the amount We will be required to pay.

We may over or under recover in any particular year but We will not adjust Your premium because of this. You can ask Us for more details if You wish.

Minimum premiums may apply.

When You apply for this insurance, You will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the schedule, which will be sent to You after the entry into the Policy. If You fail to pay We may reduce any claim payment by the amount of premium owing and/or cancel the Policy in accordance with the process set out in the "How We may cancel this Policy" section.

Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of You for details of who is covered by this term). The Policy consists of:

- this document which sets out the standard terms conditions, limits and exclusions of your cover;
- Your Schedule issued by Us. Your Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those sections shown as covered in Your schedule are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an endorsement or Supplementary PDS) at or prior to commencement of the Policy or when required or permitted by law. These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of the Policy where permitted to do so by law.

Any new or replacement schedule We may send You, detailing changes to Your insurance or the Period of insurance, will become the current schedule, which You should carefully read and retain.

Your obligation to comply with the Policy terms and conditions

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law and to the extent We are prejudiced by Your non-compliance) decline or reduce any claim payment and/or cancel Your Policy.

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

Your Duty of Disclosure

Before You enter into a contract of insurance with Us, You have a Duty, under the *Insurance Contracts Act 1984*, to disclose to Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same Duty to disclose those matters to Us before You renew, extend, vary or reinstate the contract.

This Duty of Disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your Duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your Duty is waived by Us.

Non-disclosure

If You fail to comply with Your Duty of Disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract, or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

Claim settlements – where we agree to pay

When we calculate the amount we will pay you, we will consider the following:

We will pay the GST amount in addition to the sum insured/ limit of indemnity or other limits shown in the policy or in the current schedule (unless we state GST is included in Sum Insured or Limit of Indemnity).

If your sum insured/limit of liability is not sufficient to cover your loss, we will only pay the GST amount that relates to our settlement of your claim.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled.

Payment as compensation

Where we make a payment under this policy as compensation instead of payment for a relevant acquisition, we will reduce the amount of the payment by the amount of any input tax credit that you would have been entitled to had the payment been applied to a relevant acquisition.

Disclosure – input tax credit entitlement

If you register, or are registered, for GST you are required to tell us your entitlement to an input tax credit on your premium. If you fail to disclose or understate your entitlement, you may be liable for GST on a claim we may pay. - a. contact the police if any person was injured as a result of the accident;
- b. request the police to attend the scene of the accident;
- c. go to the local police station to complete a 'Self Reporting Collision Form' if the police inform You that it is not necessary for them to attend the scene of the accident.

You must contact the police as soon as reasonably possible if Your Vehicle is stolen or maliciously Damaged.

4. Contact Us as soon as possible

If there is any accidental loss, Damage or liability which is likely to result in a claim, You must tell Us as soon as reasonably possible sufficient details of any accidental loss, damage or anticipated or alleged liability to enable Us to assess the claim. If You do not give Us these details as soon as reasonably possible, We may reduce or deny Your claim to the extent We are prejudiced by Your delay.

You or Your representative must give Us the information that we reasonably require and request in the manner We request which will be either:

- a. verbally; or
- b. in writing by completing Our claim form which will be supplied to You when You contact Us.
The process for authorising repairs to Your Vehicle is explained under "Authorising repairs".

Any correspondence You receive regarding the accident or event must be sent to Us as soon as reasonably possible. You must advise Us as soon as reasonably possible of:

- a. any notice of impending prosecution;
- b. details of any inquest or official enquiry.

What happens after You make a claim

1. Excess

An excess is the amount shown in Your Schedule or in this document which You will need to pay as a contribution to the claim unless We state an excess does not apply. The payment of an excess helps to keep the cost of Your premium down by reducing the number of small claims. If We settle Your claim by cash settlement We will deduct the excess from the amount We pay You. In other circumstances, You may need to pay the excess as a contribution to the repair or replacement.

There are different types of excess which may apply to You or the driver of Your Vehicle at the time of the claim.

These are:

a. Basic excess

The basic excess is the amount You will need to pay as a contribution to each claim. The amount of the basic excess will be shown on Your Schedule beside the heading "Basic excess".

b. Additional excesses

If You make a claim for an accident when Your Vehicle was being driven by or was in the charge of a driver:

- i. all drivers up to the age of 21 years,
- ii. a driver aged between 21 and 25 years,
- iii. drivers aged greater than 25 years but have held their Australian driver licence for less than 2 years,

You must pay the additional excess shown in Your Schedule in addition to the basic excess.

You will not have to pay additional excess shown in Your Schedule if You are claiming for any of the following:

- windscreen or window glass Damage only;
- theft;
- hail, storm or flood Damage;
- Malicious Damage; or
- Damage to Your Vehicle while parked.

c. Tipping excess

An additional excess of \$1,000 will apply if Your Vehicle is a rigid body tipper or a tipping trailer and the event which gives rise to a claim occurs whilst the tipping hoist is fully or partially elevated.

2. Faultless excess

You will not be required to pay the basic, age and/or inexperienced driver excess if:

- the claimable loss is Recoverable by us, or
- the accident which gave rise to the claim was the fault of the driver of the other vehicle; and
- You can supply:
 - the name and address of that driver,
 - the registration number of the Vehicle, or
 - any other information that would reasonably allow Us to identify the other person so that We can exercise Our rights of recovery, and
- Your Vehicle was a sedan, station wagon, four wheel drive, panel van, utility or goods carrying Vehicle under 3,500 kilograms Gross Vehicle Mass, and
- The amount of the claim exceeds Your basic and age excess under the Policy and is not a claim for windscreen damage.

3. When You are at fault

You are at fault if You:

- are responsible for the accident; or
- contributed to the cause of an accident.

4. Choice of repairer

We can assist You in selecting a suitable repairer to repair the damage to Your Vehicle; however You also have the right to choose Your own repairer. We may require a second quotation from a repairer chosen by Us. We will then choose (subject to any relevant Policy limits and acting reasonably) to:

- authorise the repairs at Your repairer of choice;
- pay You the reasonable cost of repairing Your Vehicle; or
- move Your Vehicle to a repairer We both agree will repair Your Vehicle. In the instance that We both agree to move Your Vehicle We will provide You with a rental vehicle for up to 3 days in addition to any other benefit provided under Your Policy.

In both instances We will work closely with the repairer to strive to achieve the best repair outcome for You.

5. Authorising repairs

- a. Where You have loss of or damage cover You may only authorise emergency repairs as detailed on page 12 under "Emergency repairs". You should not authorise further repairs to Your Vehicle without Our prior consent.
- b. Before We make a decision regarding Your claim and repairs to Your Vehicle, We may need to inspect Your Vehicle. A motor vehicle assessor will be appointed by Us. We or Our assessor will make the necessary arrangements with You.

6. Parts, extras and accessories

If We are unable to repair the part We use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR).

If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any part, extra or accessory.

In the event that any part, extra or accessory cannot be obtained immediately, We may choose (acting reasonably) to pay You the value of the part, extra or accessory (together with a reasonable charge for fitting) rather than supply the part, extra or accessory.

7. Sublet repairs

If Your Vehicle requires Us to engage the services of a specific specialist repairer and/or supplier We may sublet that component to such repairer or supplier.

8. Guarantee and warranty

We guarantee materials and workmanship on repairs We authorise for as long as You own or lease Your Vehicle. This guarantee is not transferable.

9. Assist Us with Your claim

You must assist Us with Your claim. This means give Us all the information and assistance with Your claim which We may reasonably require.

Proof of loss and ownership

When you make a claim, we may ask you to provide certain documents that we may reasonably require to:

- help substantiate your claim by providing proof that you owned the vehicle, personal items, Modifications, or Accessories
- help us identify your items.

We will tell you what documents we reasonably require. The types of documents we ask for depend on the situation and can include:

- tax invoices for items bought or services used
- valuation, model and serial numbers
- credit card or bank statements
- photos
- registration documents
- hire vehicle agreements
- finance agreements.

We may compare information you give us with a range of other sources – for example, auction or sale websites.

If You do not We may not pay Your claim or provide cover to the extent We are prejudiced by that failure.

If We have the right to recover any amount payable under the Policy from any other person, You must take reasonable steps to co-operate with Us in any action We may take.

10. Our rights of recovery

We have the right to recover from any person, in Your name, the amount of any claim paid under the Policy and We have full discretion in the conduct, settlement or defence of any claim in Your name. We will act reasonably having regard to Your interests, and will keep You informed if You ask Us to. If We recover more than the amount We have paid to You or on Your behalf, We will pay You the balance.

11. Salvage of Your vehicle when it is a total loss

If Your Vehicle is a Total Loss and We have agreed to replace Your Vehicle, pay the Market Value, Sum Insured or Agreed Value for Your Vehicle:

- the wreckage of Your Vehicle will become Our property, and
- We will keep the proceeds of any salvage sale.

At Our discretion (and if safe to do so), You may reclaim the wreckage if You agree to pay the salvage price.

12. Payment of unpaid premium when Your vehicle is a total loss

If Your Vehicle is a Total Loss and We have agreed to pay the Market Value, Sum Insured or Agreed Value for Your Vehicle:

- the amount of any unpaid premium for the Period of Insurance will be deducted from the amount payable to You, and
- if We are replacing Your Vehicle or settle the claim if a replacement is not available, You must pay Us the balance of any unpaid premium or instalments for the Period of Insurance.

13. GST

We will adjust Your claims payment in accordance with the GST provision noted under "General conditions applicable to all sections of the Policy", "GST notice" on page 20.
