## How to apply for this insurance

Throughout this document when we are referring to *your* insurance broker or adviser, we simply refer to them as *your* intermediary.

If *you* are interested in buying this product or have any enquiries about it, *you* should contact *your* intermediary who should be able to provide *you* with all the information and assistance *you* require.

If *you* are not satisfied with the information provided by *your* intermediary, *you* can contact us at the address or telephone number shown on the back cover of this document. However, we are only able to provide factual information or general advice about the product. We do not give advice on whether the product is appropriate for *your* personal objectives, needs or financial situation.

## Our Business Travel Insurance

Zurich Business Travel Insurance allows *you* to tailor the cover for *your* requirements. Cover can be arranged by *you* (referred to as the *insured*) to cover yourself or some other person(s) (referred to as the *insured persons*).

The policy operates 24 hours a day, seven days a week, anywhere in the world, while an *insured person* is on a *journey*.

For a summary of additional benefits available to *you*, see 'Benefits of cover available' on page 8.

## Our contract with you

*Your* policy is a contract of insurance between the *insured* and Zurich and contains all the details of the cover that we provide.

*Your* policy is made up of:

- the policy wording which begins at page 11 of this document. It tells *you* what is covered, sets out the claims procedure, exclusions and other terms and conditions of cover;
- the information *you* provide to us when applying for insurance cover;
- *your* most current policy *schedule* issued by us. The *schedule* is a separate document unique to *you*, which shows the insurance details relevant to *you*. It includes any changes, exclusions, terms and conditions made to suit *your* individual circumstances and may amend the policy; and
- any other change otherwise advised by us in writing (such as an endorsement or a supplementary PDS). These changes vary or modify the above documents.

Please note, only those Sections shown as covered in *your schedule* are insured.

This document is also the PDS for any offer of renewal we may make, unless we tell *you* otherwise. Please keep *your* policy in a safe place. We reserve the right to change the terms of this product where permitted to do so by law.

## Words with special meaning

We italicise terms in this PDS, to show that words are abbreviations or have a particular defined meaning. *You* should refer to the Definitions in this document to obtain the full meaning of such terms.

## About an insured person

An *insured person* has a right to recover under this policy only through Section 48 of the Insurance Contracts Act 1984 (Cth) and is not a party to the contract of insurance. Only the *insured* is able to vary or cancel the policy. *Insured persons* are not charged for the right to make a claim under this policy.

Any person who may be insured under this policy should consider obtaining their own advice from an appropriately licensed person to determine if the benefits provided by this policy are suitable to their needs. No advice is provided by either *you* or us as to the suitability of these benefits to the needs of anyone who may be entitled to benefits under it.

## When the insured person's cover starts and ends

An *insured person's* ability to access cover:

- starts at the time the relevant person becomes an *insured person*; and
- ends at the earliest happening of the following:
  - (a) the relevant person is no longer meeting the criteria specified in the *schedule* for an *insured person*;
  - (b) the date and time *you* request that such *insured person* ceases to have access to the benefits under this policy; or
  - (c) the date and time this policy ends in accordance with the policy terms, either because the *period of insurance* has ceased and the policy has not been renewed with us or this policy has been cancelled in accordance with the policy terms.

## Significant issues to consider

Insurance contracts contain policy exclusions, policy terms and conditions and policy limits and sub-limits that *you* should be aware of when deciding to purchase our product. These things may affect the amount of the payment that we will make to *you* if *you* have a claim.

We may express some policy terms, policy limits or sub-limits as being either a dollar amount or a percentage of *your sum insured* shown in *your schedule* or some other amount, factor or item specified in the relevant clause *your* policy.

*You* should be aware of the following matters in considering whether this product is suitable for *your* needs.

## Excesses can apply

An *excess* may apply to claims made under each Section of the policy. An *excess* is not an additional fee, charged by us at the time of making a claim. Rather, it is the uninsured first portion of a loss for which *you* are otherwise covered, i.e. the amount that *you* must contribute towards each claim.

We are able to provide options to quote higher or lower *excess* alternatives in certain circumstances, which will either decrease or increase *your* premium, depending upon the options requested.

Any *excess* applicable to a Section of the policy is specified in the *schedule*.

## Exclusions

This policy contains exclusions, some of which are common in insurance policies and some may be less common, and as such may be unexpected. *Your* policy excludes or limits cover in the following circumstances, we will not pay any benefits where death, *injury*, *sickness*, disability, loss, damage, expense or liability arises from or is caused by:

- being in an aircraft or aerial device, unless as a passenger; or
- any deliberate, illegal or criminal acts inflicted by or on behalf of the *insured* or an *insured person*, or any other person acting with their consent or at their direction.

An example of a less common exclusion is found on page 20 which excludes cover for death, *injury*, *sickness*, disability or liability arising from training for or participating in a *professional sport*.

The above are some of the events that are not covered by this policy. Before making a decision about whether to purchase this policy, *you* should read the full details of all relevant exclusions, which are contained in the policy wording. Please refer to General Exclusions Applicable to All Sections on page 20 and any additional exclusions specific to each Section to ascertain if the cover is adequate for *your* requirements.

### **Terms and Conditions**

General Terms and Conditions Applicable to All Sections set out *your* general obligations with which *you* need to comply. Please refer to page 22. Other terms and conditions relevant to each Section also apply and are explained in each Section. *You* should read the policy wording and make yourself aware of all the terms and conditions that apply. If *you* do not meet them, we may be able to decline or reduce the claim payment or cancel *your* policy.

### **Age Limits**

There is no maximum age limit for *insured persons* under this policy, however certain conditions apply to *insured persons* aged over 70 years. Please refer to the conditions under Policy Sections '1. Zurich Assist', '2. Overseas Medical Expenses', '3. Personal Accident and Sickness' and '4. Travel Disruption' for the specific coverage limitations and detailed conditions.

### **Make sure you have the cover you need**

*You* should discuss with *your* intermediary the appropriate amounts and risks for which *you* need to be insured. If *you* do not adequately insure for the relevant risks, *you* may have to bear any uninsured losses yourself.

*You* should also advise *your* intermediary to notify us as soon as possible, when *your* circumstances change which are relevant to *your* policy.

### **Duty of Disclosure**

Before *you* enter into an insurance contract, *you* have a duty of disclosure under the Insurance Contracts Act 1984 (Cth).

If we ask *you* questions that are relevant to our decision to insure *you* and on what terms, *you* must tell us anything that *you* know and that a reasonable person in the circumstances would include in answering the questions.

*You* have this duty until we agree to insure *you*.

### **If you do not tell us something**

If *you* do not tell us anything *you* are required to tell us, we may cancel *your* contract or reduce the amount we will pay *you* if *you* make a claim, or both.

If *your* failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

### **Cooling-off period**

After *you* apply for a Zurich product and *you* have received the policy document, *you* have 21 days to check that the policy meets *your* needs. Within this time, *you* may cancel the policy and receive a full refund of any premium paid, unless *you* have:

- made a claim or become entitled to make a claim under *your* policy; or
- exercised any right or power *you* have in respect of *your* policy or the policy has ended.

*Your* request will need to be forwarded to us via *your* intermediary or to the address shown on the back cover of this document.

*You* can cancel *your* policy at any time after the cooling-off period. Please refer to 'Cancellation' under General Terms and Conditions Applicable to All Sections on page 22.

## How we calculate your premium

The premium amount that *you* must pay for *your* insurance cover is set out in *your schedule*. The amount of *your* premium is determined by taking a number of different matters into account. *You* can seek a quote at any time.

It is important for *you* to know in particular that the premium varies depending on the information we receive from *you* about the risk to be covered by us. The higher the risk is, the higher the premium will be. Based on our experience and expertise as an insurer, we decide what factors increase our risk and how they should impact on the premium. Each insurer can do this differently.

In this product the factors that are taken into consideration include the following:

- the business of the *insured*;
- the estimated number of *journeys* (both international and domestic) per year;
- the average duration of *journeys*;
- benefit limits chosen; and
- the *excess* amount *you* elect. This means that when *you* purchase a policy *you* may elect to take a larger *excess* amount in the event of a claim, which will reduce the cost of *your* premium. If *you* are interested in this, *you* should ask *your* intermediary to supply *you* with quotes based on differing *excess* amounts.

*Your* intermediary can arrange for *you* to be provided with a quote for a premium. *You* will need to give *your* relevant personal details to *your* intermediary at this time to enable us to calculate the premium.

Another important thing to know is that *your* premium also includes amounts that take into account our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty and GST) in relation to *your* policy. These amounts will be set out separately in *your schedule* as part of the total premium payable.

## How and when you pay your premium and what happens if you don't pay?

*Your* premiums are charged and are payable on a yearly basis. *Your* intermediary can also tell *you* what other methods are available to make *your* premium payments.

*Your* intermediary should send *you* an offer of renewal of *your* insurance once a year, before *your* current *period of insurance* expires. If *you* do not pay *your* premium when due, *your* policy may lapse after 30 days and *you* will not be covered. *You* may be able to reinstate *your* policy after it lapses, but *you* must submit an application to us, which is subject to our reassessment of *your* personal circumstances and the circumstances of all persons to be insured at the time of application.

## How to make a claim

If *you* need to make a claim, please refer to 'Claims Procedures' on page 21. If *you* have any queries, please contact *your* intermediary as soon as possible, or call us on 132 687.

Note, any continuation benefits shall still not exceed the total maximum Benefit Period as shown in the *schedule*.
