2.2 Proposal

Before this **Policy** came into effect, **We** were provided with information by or on behalf of the **Insured** in the **Proposal**, and perhaps in other ways. **We** have relied on this information to decide whether to enter into this contract and on what terms. If any of that information is wrong or false, it may affect entitlement to **Cover** under this **Policy**.

2.3 Period of insurance

This **Policy** is in force for the **Period of Insurance**.

2.4 Responsibilities and notification of change of material risk

 - ii. the **Policyholder** incurs them after first obtaining **Our** prior written consent (which shall not be unreasonably delayed or withheld) and the costs and expenses are reasonable and necessary.

- d) **We** are not obliged to defend, or to continue to defend, any **Claim** (or **Covered Claim**) or pay, or continue to pay, any costs or expenses associated with such defence, once the **Policy Limit** has been exhausted.

Section 4

Policy extensions

Subject to all of the terms, conditions and exclusions of the **Policy**, **We** agree to extend **Cover** by the following Extensions. These **Policy** Extensions will not increase the **Policy Limit** unless expressly stated otherwise.

4.1 Advancement of claims investigation costs

- a) If **We** elect not to take over and conduct the defence or settlement of any **Claim**, then **We** will pay all **Claims Investigation Costs** provided that:
 - i. **We** have not denied **Cover** under the **Policy** and, if **Cover** is denied, then only up to the point of any denial of **Cover**; and
 - ii. **Our** written consent (which shall not be unreasonably delayed or withheld) is obtained prior to the **Policyholder** incurring such **Claims Investigation Costs**.
- b) The **Insured** on whose behalf or for whose benefit **Claims Investigation Costs** have been paid, shall repay to **Us** all such **Claim Investigation Costs**, in the event and to the extent that:
 - i. an admission is made by the **Insured** or by any person authorised to make such an admission on behalf of the **Insured**, of any of the conduct as set out in Section 7.11; or

 - We** were the professional liability insurer of the **Policyholder** when the **Insured** first knew of such **Known Circumstance**; and
 - We** continued without interruption to be the **Policyholder's** professional liability insurer up until this **Policy** came into effect; and
 - had **We** been notified of the **Known Circumstance** when the **Insured** first knew of it, the **Insured** would have been covered under the policy in force at that time and the **Insured** would (but for Section 7.1 of this **Policy**) otherwise be **Covered** under this **Policy**; and
 - the **Known Circumstance** has not previously been notified to **Us** or to any other insurer.
- b) If the **Insured** was entitled to have given notice of the **Known Circumstance** under any other policy of insurance with any other insurer, then this Extension does not apply to provide **Cover** under this **Policy**, to the extent that indemnity is provided to the **Insured** under that other policy of insurance.
- c) **Our** liability under this Extension is reduced to the extent of any prejudice **We** suffer as a result of any delayed notification of the **Known Circumstance** to **Us**.
- d) The **Policy Limit** of the **Cover We** provide under this Extension is the lesser available under the terms of the policy in force at the earlier time referred to in paragraph a) iv. above, or under this **Policy**. The terms of this **Policy** otherwise apply.

- a) **We** will pay to and on behalf of the **Policyholder** \$500 per day as part of **Claims Investigations Costs** in respect of a **Principal** or **Employee** who is legally required to attend at Court for the purposes of giving evidence as a witness in connection with a **Covered Claim**.

- c) **We** shall not be liable for any such costs and expenses arising out of wear, tear and/or gradual deterioration, the activity of insects, pest or vermin, or other matters beyond the **Policyholder's** control.

Section 8

General terms and conditions

Investigation, defence and settlement of claims

The **Insured** has certain responsibilities that are set out in this section and in the **Policy**. These responsibilities also apply to any person that is **Covered** by the **Policy**.

If the **Insured** does not meet these responsibilities, **We** may refuse to pay a **Claim** or **Covered Claim** or reduce **Cover** under the **Policy**. **We** may also decide to cancel the **Policy** if permitted in accordance with the provisions of the Insurance Contracts Act 1984 (Cth).

The course of action **We** take when the **Insured** fails to do any of these things will be considered in each circumstance based on what impact or effect the **Insured's** failure to do so caused or contributed to the **Claim** or **Covered Claim** or changes **Our** liability under the **Policy**.

8.1 We must be told about claims

The **Policyholder** must tell **Us** in writing about a **Claim** as soon as reasonably possible during the **Period of Insurance**. If this is not done the **Insured's** right to **Cover** under this **Policy** may be affected.

8.2 Claims co-operation

Each **Insured** must:

- a) diligently do, and allow to be done, everything reasonably practicable to avoid or lessen the **Insured's** liability in relation to a **Claim** or **Covered Claim**, **Covered** by this **Policy**;
- b) as soon as reasonably possible give **Us** help and information that **We** reasonably require to:
 - i. investigate and defend a **Covered Claim**; and
 - ii. determine **Our** liability under this **Policy**.

8.3 We can protect our position

When **We** receive a notification under this **Policy** of any matter, **We** can take whatever action **We** consider appropriate to protect **Our** position or the **Insured's** position in respect of any such matter.

This does not, however:

- a) indicate that any **Insured** is entitled to be **Covered** under this **Policy**; or
- b) prejudice **Our** rights under the **Policy** or at law.

8.4 Disclosure of information to us in respect of the cover

The **Insured** shall share reasonable confidential and privileged information with **Us** and with **Our** legal advisers who **We** appoint about any matter notified to **Us** under the **Policy**.

We have a common interest with the **Insured** and with appointed legal advisers in the investigation, defence and settlement of any matter notified to **Us** under the **Policy** (**Common Interest**).

All confidential information provided to **Us** (including information which is subject to legal professional privilege), and/or to the legal advisers **We** appoint, by or on behalf of the **Insured**, which the **Insured** hereby irrevocably consents to appointed legal advisers providing to **Us**, is so provided on the basis that:

- a) subject to point c) below, the information is provided to **Us** for that **Common Interest** purpose, is to be kept confidential and will not be further disclosed without the written consent of the **Insured**; and
- b) in respect of confidential information which is subject to legal professional privilege, the **Insured** does not waive legal professional privilege; and
- c) the information may be disclosed by **Us** to **Our** legal advisers and reinsurers on the basis that the above conditions apply to those persons' use of such information.

8.5 We can manage the claim

We:

- a) can assume conduct of and defend or settle in the **Insured's** name any **Covered Claim**, or
- b) subject to Section 6.6 of the **Policy**, have the duty where and the **Policyholder** so requests, to manage any matter (including the investigating, defence or settlement) in respect of which **We** have confirmed **Cover** under the **Policy**; and
- c) can take any action, in the **Insured's** name, to pursue any right any **Insured** may have in connection with any **Covered Claim**.

We will act reasonably in exercising this right. **We** will keep the **Insured** reasonably informed and updated with the progress of any such matter.

8.6 An insured must not admit liability for or settle any claim

An **Insured** must not:

- a) admit liability for, or settle any **Covered Claim**; or
- b) incur any costs or expenses for a or **Covered Claim**, without first obtaining **Our** consent in writing (which shall not be unreasonably delayed or withheld). If **Our** prior consent is not obtained, the **Insured's** right to **Cover** under this **Policy** may be affected to the extent that **We** are prejudiced by the **Insured's** admission, settlement or incurring of costs or expenses.

8.7 Policyholder's right to contest

If the **Policyholder** elects not to consent to a settlement that **We** recommend and wants to contest or continue the dispute or legal proceedings, then **We** only provide **Cover** (subject to the **Policy Limit** or **Specific Cover Limit** as applicable) for:

- a) the amount **We** could have settled the matter for; less
- b) any applicable **Excess**; plus
- c) the **Claim Investigation Costs** incurred up to the date the date the **Policyholder** elected not to consent to the settlement.

8.8 Senior counsel

- a) Unless a Senior Counsel, that **We** instruct, advises that a **Claim** or **Covered Claim** (which **We** have agreed to **Cover**) should be contested, neither **We** nor the **Policyholder** can require the other to contest any legal proceedings about a **Covered Claim** if the other does not agree to do so.
- b) In formulating his or her advice, Senior Counsel must be instructed to consider:
 - i. the economics of the matter, having regard to but not limited to, the:
 1. damages and costs likely to be recovered; and
 2. likely costs of defence.
 - ii. the **Insured's** prospects of successfully defending the **Claim** or **Covered Claim**.
- c) The cost of Senior Counsel's opinion will form part of the **Claim Investigation Costs**.
- d) If Senior Counsel advises that the matter should be or is appropriate to be settled and if the terms of settlement which **We** recommend are within limits which are reasonable (in Senior Counsel's opinion and in the light of the matters he/she is required to consider), then the **Insured**:
 - i. cannot (subject to Section 8.7) object to the settlement; and
 - ii. will be required to pay the relevant **Excess** as soon as reasonably possible.

8.9 Payments to settle potential claims

Any money **We** pay to settle and/or investigate anything which might give rise to a **Claim** or **Covered Claim**, is taken to be a payment:

- a) to settle a **Claim** or **Covered Claim**; and
- b) for the purpose of calculating the total of all **Claims** or **Covered Claims** under this **Policy**.

8.10 Recovering money from employees

We must not recover any amount paid out in respect of a **Claim** or **Covered Claim** under this **Policy** from any **Employee** unless the **Claim** or **Covered Claim** arose from dishonest, fraudulent, criminal or malicious acts or omissions of the **Employee**.

8.11 Offsetting of costs and expenses

If **We** incur costs or expenses above **Our** liability under the **Policy** for **Claim Investigation Costs**, then the **Insured** must pay whatever amount is above that liability as soon as reasonably possible after **We** ask for it.

We can offset that payment due from the **Insured** against (and deduct that amount from) any amount **We** are required to pay to or on behalf of the **Insured** under this **Policy**.

8.12 Loss prevention

The **Insured** shall, as a condition to **Cover** under this **Policy**, take all reasonable steps to prevent any act, error, omission or circumstance which may cause or contribute to any **Covered Claim**.

8.13 Other insurance which may cover the risk

The **Policyholder** must as soon as reasonably possible advise **Us** in writing of any insurance already effected or which may subsequently be effected covering, in total or in part and whether absolutely or contingently, the risk, or any part of it, **Covered** by this **Policy**.

8.14 Severability and non-imputation

For the sake of determining **Cover** under this **Policy**:

- a) the **Proposal** shall be construed to be a separate application for cover by the **Policyholder** and by each natural person **Covered** by the **Policy**, and no statement or representation in or with respect to the **Proposal** by such person shall be imputed to any other natural person **Covered** by the **Policy**; and
- b) knowledge possessed by and/or conduct of one natural person **Covered** by the **Policy** shall not be imputed to any other natural person **Covered** by the **Policy**; and
- c) any knowledge possessed by and/or conduct of any past or present **Principal**, company secretary, chief executive officer, chief operating officer, chief financial officer, chief risk officer, in-house general counsel, or any person who signed the declaration or proposal form in connection with this **Policy** or any policy of which this **Policy** is a renewal or replacement, shall be imputed to the **Policyholder**.

8.15 Allocation

- a) To the extent that a **Covered Claim** comprises **Covered Matters** and **Uncovered Matters**, **We** will use best endeavours to agree a fair allocation between **Covered Matters** and **Uncovered Matters** having regard to the relative legal and financial exposure attributable to the **Covered Matters** and **Uncovered Matters**.
- b) This allocation will apply to **Claim Investigation Costs**.
- c) Any dispute between **Us** and the **Policyholder** on the allocation will be resolved by a Senior Counsel that **We** and the **Policyholder** both agree to instruct or in the absence of agreement, as appointed by the President of the Bar Association in the state or territory of the first address of the **Policyholder** shown on the **Schedule** or if no address is shown there, as shown on the **Proposal**.
- d) Any allocation between **Covered Matters** and **Uncovered Matters** as determined by Senior Counsel will apply retrospectively to the **Claim Investigation Costs** paid by **Us** or the **Policyholder** notwithstanding any prior payment on a different basis, unless otherwise agreed.
- e) The cost of Senior Counsel's opinion will form part of the **Claim Investigation Costs**.

Section 7

General terms and conditions

The **Insured** has certain responsibilities that are set out in this section and in the **Policy**. These responsibilities also apply to any person that is covered by the **Policy**.

If the **Insured** does not meet these responsibilities, **We** may refuse to pay a claim or reduce what **We** pay for a claim.

We may also decide to cancel the **Policy** if permitted in accordance with the provisions of the Insurance Contracts Act 1984 (Cth).

The course of action **We** take when the **Insured** fails to do any of these things will be considered in each circumstance based on what impact or effect the **Insured's** failure to do so caused or contributed to a claim under the **Policy**, an **Occurrence**, or changes **Our** liability under the **Policy**.

Investigation, defence and settlement of claims

7.1 We must be told about claims

The **Policyholder** must tell **Us** in writing as soon as reasonably possible of every **Occurrence**, claim, writ, summons, impending proceedings, impending prosecution and/or inquest in respect of which there may arise a liability under this **Policy**. If this is not done an **Insured's** right to cover under this **Policy** may be affected.

7.2 Claims co-operation

Each **Insured** must:

- a) diligently do, and allow to be done, everything reasonably practicable to avoid or lessen an **Insured's** liability in relation to a claim or **Occurrence**, covered by this **Policy**, including but not limited to:
 - i. preserving any property, products, appliances, plant or other things, provided it is safe to do so, and which might prove necessary or useful by way of evidence in connection with any claim. So far as may be reasonably practicable no alteration or repair shall be effected without **Our** prior written consent (which shall not be unreasonably delayed or withheld) and until **We** have had the opportunity of inspection, if **We** ask, at any reasonable place and time.
 - ii. at the **Insured's** expense take all reasonable steps to prevent other **Personal Injury**, **Property Damage** or **Advertising Liability** arising out of the same or similar conditions, but such expense shall not be recoverable under this **Policy**.
- b) as soon as reasonably possible give **Us** help and information that **We** reasonably require to:
 - i. investigate, defend and settle any matter in respect of which **We** have confirmed cover under the **Policy**; and
 - ii. determine **Our** liability under this **Policy**.

7.3 We can protect our position

When **We** receive a notification under this **Policy** of any matter, **We** can take whatever action **We** consider appropriate to protect **Our** position or the **Insured's** position in respect of any such matter.

This does not, however:

- a) indicate that any **Insured** is entitled to be covered under this **Policy**; or
- b) prejudice **Our** rights under the **Policy** or at law.

7.4 Disclosure of information to us in respect of cover

The **Insured** is required to share reasonable confidential and privileged information with **Us** and with **Our** legal advisers who **We** appoint about any matter notified to **Us** under the **Policy**.

We have a common interest with the **Insured** and with appointed legal advisers in the investigation, defence and settlement of any matter notified to **Us** under the **Policy** (**Common Interest**).

All confidential information provided to **Us** (including information which is subject to legal professional privilege), and/or to the legal advisers **We** appoint, by or on behalf of the **Insured**, which the **Insured** hereby irrevocably consents to appointed legal advisers providing to **Us**, is so provided on the basis that:

- a) subject to c) below, the information is provided to **Us** for that **Common Interest** purpose, is to be kept confidential and will not be further disclosed without the written consent of the **Insured**; and

- b) in respect of confidential information which is subject to legal professional privilege, the **Insured** does not waive legal professional privilege; and
- c) the information may be disclosed by **Us** to **Our** legal advisers and reinsurers on the basis that the above conditions apply to those persons' use of such information.

7.5 We can manage the claim

We:

- a) can assume conduct of and defend or settle in the **Insured's** name any claim; or
- b) subject to any applicable **Excess**, have the duty where and the **Policyholder** so requests, to manage any matter (including the investigating, defence or settlement) in respect of which **We** have confirmed cover under the **Policy**; and
- c) can take any action, in the **Insured's** name, to pursue any right any **Insured** may have in connection with any matter in respect of which **We** have confirmed cover under the **Policy**.
- d) can attend any inquest in respect of which there may arise liability under this **Policy**.

We will act reasonably in exercising this right. **We** will keep the **Insured** reasonably informed and updated with the progress of any such matter.

7.6 An insured must not admit liability for or settle any claim

An **Insured** must not:

- a) admit liability for, or settle, make an admission, offer, promise or payment in connection with any **Occurrence** or claim; or
- b) incur any costs or expenses for an **Occurrence** or claim,

without first obtaining **Our** prior written consent (which shall not be unreasonably delayed or withheld). If **Our** prior written consent is not obtained, the **Insured's** right to cover under this **Policy** may be affected to the extent that **We** are prejudiced by the **Insured's** admission, settlement or incurring of costs or expenses.

7.7 Policyholder's right to contest

If the **Policyholder** does not consent to a settlement that **We** recommend and wants to contest or continue the dispute or legal proceedings, then **We** only provide cover (subject to the **Policy Limit**) for:

- a) the amount **We** could have settled the matter for; less
- b) the applicable **Excess**; plus
- c) any supplementary payments, as specified in Section 4 of the **Policy**, incurred up to the date the **Policyholder** elected not to consent to the settlement.

7.8 Senior counsel

- a) Unless a Senior Counsel, that **We** instruct, advises that the claim or **Occurrence** (which **We** have agreed to cover) should be contested, neither **We** nor the **Policyholder** can require the other to contest any legal proceedings about a claim if the other does not agree to do so.
- b) In formulating his or her advice, Senior Counsel must be instructed to consider the:
 - i. economics of the matter, having regard to but not limited to, the:
 1. damages and costs likely to be recovered; and
 2. likely costs of defence.
 - ii. **Insured's** prospects of successfully defending the claim.
- c) The cost of Senior Counsel's opinion will form part of the supplementary payments as specified in Section 4 of the **Policy**.
- d) If Senior Counsel advises that the matter should be or is appropriate to be settled and if the terms of settlement which **We** recommend are within limits which are reasonable (in Senior Counsel's opinion and in the light of the matters he/she is required to consider), then the **Insured**:
 - i. cannot (subject to Section 7.7) object to the settlement; and
 - ii. will be required to pay the relevant **Excess** as soon as reasonably possible.

7.9 Payments to settle potential claims

Any money **We** pay to settle, and/or investigate anything which might give rise to a claim or **Occurrence**, is taken to be a payment:

- a) to settle a claim or **Occurrence**; and
- b) for the purpose of calculating the total of all claims or **Occurrences** under this **Policy**.

7.10 Recovering money from employees

We must not recover any amount paid out in respect of a claim or **Occurrence** under this **Policy** from any employee unless the claim or **Occurrence** arose from dishonest, fraudulent, criminal or malicious acts or omissions of the employee.

7.11 Offsetting of costs and expenses

If **We** incur costs or expenses above **Our** liability under the **Policy** for supplementary payments as specified in Section 4 of the **Policy**, then the **Insured** must pay whatever amount is above that liability as soon as reasonably possible after **We** ask for it.

We can offset that payment due from the **Insured** against (and deduct that amount from) any amount **We** are required to pay to or on behalf of the **Insured** under this **Policy**.

7.12 Loss prevention

The **Insured** must, as a condition to cover under this **Policy**:

- a) take all reasonable steps to:
 - i. prevent **Personal Injury, Property Damage or Advertising Liability**;
 - ii. prevent the manufacture, sale or supply of defective products; and
 - iii. comply and take reasonable steps to ensure that the **Insured's** workers, servants and agents comply with all relevant Statutory Obligations, By-Laws or Regulations imposed by any Public Authority in respect thereof for the safety of persons and property;
- b) at the **Insured's** own expense take reasonable action to trace, recall or modify any products containing any defect or deficiency which defect or deficiency the **Insured** has knowledge of or has reason to suspect.

7.13 Severability and non-imputation

For the sake of determining cover under this **Policy**:

- a) the **Proposal** shall be construed to be a separate application for cover by the **Policyholder** and by each natural person covered by the **Policy**, and no statement or representation in or with respect to the **Proposal** by such person shall be imputed to any other natural person covered by the **Policy**; and
- b) knowledge possessed by and/or conduct of one natural person covered by the **Policy** shall not be imputed to any other natural person covered by the **Policy**; and
- c) any knowledge possessed by and/or conduct of any past or present principal, company secretary, chief executive officer, chief operating officer, chief financial officer, chief risk officer, in-house general counsel, or any person who signed the declaration or proposal form in connection with this **Policy** or any policy of which this **Policy** is a renewal or replacement, shall be imputed to the **Policyholder**.

7.14 Allocation

- a) To the extent that a claim or **Occurrence** comprises **Covered Matters** and **Uncovered Matters**, **We** will use best endeavours to agree a fair allocation between **Covered Matters** and **Uncovered Matters** having regard to the relative legal and financial exposure attributable to the **Covered Matters** and **Uncovered Matters**.
- b) This allocation will apply to supplementary payments as specified in Section 4 of the **Policy**.
- c) Any dispute between **Us** and the **Policyholder** on the allocation will be resolved by a Senior Counsel that **We** and the **Policyholder** both agree to instruct or in the absence of agreement, as appointed by the President of the Bar Association in the state or territory of the first address of the **Policyholder** shown on the **Schedule** or if no address is shown there, as shown on the **Proposal**.

- d) Any allocation between **Covered Matters** and **Uncovered Matters** as determined by Senior Counsel will apply retrospectively to the supplementary payments as specified in Section 4 of the **Policy**, paid by **Us** or the **Policyholder** notwithstanding any prior payment on a different basis, unless otherwise agreed.
- e) The cost of Senior Counsel's opinion will form part of the supplementary payments as specified in Section 4 of the **Policy**.

7.15 Payment in Australian dollars

All premiums and claims must be paid in Australian dollars.

7.16 Cross liabilities

Where more than one party comprises the **Insured** each of the parties shall be considered as a separate and distinct unit and the word **Insured** shall be considered as applying to each party in the same manner as if a separate policy had been issued to each of the said parties provided that nothing in this clause shall result in the increase of **Our** liability under this **Policy** in respect of any **Occurrence** or **Period of Insurance**.

7.17 Other insurances

The **Policyholder** must advise **Us** in writing as soon as reasonably possible of any insurance already effected or which may subsequently be effected covering, in total or in part and whether absolutely or contingently, the risk, or any part of it, covered by this **Policy**.

7.18 Insurance arranged by principal

If the **Insured** enters into an agreement with any other party (**Principal**) pursuant to which the **Principal** has agreed to provide a policy of insurance which is intended to indemnify the **Insured** for any loss or liability arising out of the performance of the said agreement then **We** will (subject to the terms and conditions of this **Policy**) only indemnify the **Insured** for loss or liability not covered by the policy of insurance provided by the **Principal**.

Cancelling the policy

7.19 The policyholder can cancel the policy

The **Policyholder** is entitled to cancel this **Policy** from the date **We** receive a written request to cancel the **Policy**. **We** will be entitled to retain premium for pro-rata 'time on risk' plus applicable statutory charges.

7.20 We can cancel the policy

- a) **We** may cancel this **Policy** at any time in accordance with the relevant provisions of Section 60 of the Insurance Contracts Act 1984 (Cth), by giving notice in writing to the **Policyholder** of the date from which cancellation is to take effect;
- b) **We** may deliver this notice to the **Policyholder** personally, or post it by certified mail (to the **Policyholder's** broker or to the address the **Policyholder** last gave **Us**). Proof that **We** mailed the notice is sufficient proof that the **Policyholder** received the notice;

7.21 Refund of premium

- a) After cancellation pursuant to Sections 7.19 or 7.20 above, **We** will refund the premium for the time remaining on the **Policy**, less any non-refundable duties.
- b) Notwithstanding Sections 7.19 or 7.20 above, when the **Premium** is subject to adjustment, cancellation will not affect the **Insured's** obligation to supply such information as **We** may reasonably require for the adjustment of the **Premium**. Cancellation will not affect the **Insured's** obligations to pay the amount of adjustment applicable up to the date of cancellation.

Other matters

7.22 Authority to accept notices and to give instructions

The **Policyholders** listed in the **Schedule** are appointed individually and jointly as agent of each **Insured** in all matters relating to this **Policy**, and to claims or **Occurrences**, covered by the **Policy**.

- e) do anything **We** or **Our** legal advisers think might help with the procedures set out in this **Policy** for investigating, defending or settling claims; and
- f) give **Us** information relevant to this **Policy**, which **We** can rely on when **We** decide whether to accept the risk, and set the **Policy** terms or the premium.

7.23 Inspection and premium adjustment

We are permitted but not obligated to inspect the **Insured's** property and operations at any reasonable time and place we choose. Neither **Our** right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the **Insured** or others, to determine or warrant that such property or operations are safe. **We** may examine and audit the **Insured's** books and records at any reasonable time and place **We** choose during the **Period of Insurance** and extensions thereof and within 3 years after the final termination of this **Policy**, as far as they relate to the subject matter insured.

If the first or renewal premium for the **Policy** or part thereof has been calculated on estimates, for example relating to the activities and turnover of the business, furnished by the **Insured**, then the **Insured** is required to keep an accurate record containing all particulars relative thereto and shall at all reasonable times allow **Us** to inspect such records. The **Named Insured** shall within 30 days after the expiry of each **Period of Insurance** furnish to **Us** such particulars and information as **We**

may reasonably require. The premium for such period will thereupon be adjusted and any difference paid or allowed to the **Insured** as the case may be subject to receipt and retention of any minimum premium charged by **Us**.

7.24 Insurance Contracts Act

Nothing contained in this **Policy** shall be construed to reduce or waive either the **Insured's** or **Our** privileges, rights or remedies available under the Insurance Contracts Act 1984 (Cth) as amended.

7.25 Agreement limiting rights

If the **Insured** has entered into any agreement which excludes or limits a right which the **Insured** may have against any party, then, subject to the Insurance Contracts Act 1984 (Cth), **We** will not be liable for any claim under the **Policy** to the extent of such exclusion or limitation.

7.26 Law of the policy

This **Policy** is governed by the law of the Territory or State where the **Policy** was issued, which is stated in the **Schedule**. The courts of that place have jurisdiction in any dispute about or under this **Policy**.

7.27 Schedule must be included

This **Policy** is only legally enforceable if it includes a **Schedule** signed by one of **Our** officers.

7.28 Goods and Services Tax

- a) Where and to the extent that **We** are entitled to claim an Input Tax Credit for a payment made under the **Policy**, then any monetary limit in the **Policy** on **Our** obligation to make such a payment, shall be deemed to be net of **Our** entitlement to the Input Tax Credit.
- b) Where and to the extent that the **Policyholder** is entitled to claim an Input Tax Credit for a payment required to be made by the **Policyholder** as an **Excess**, then the amount of the **Excess** shall be net of the entitlement of the **Policyholder** to the Input Tax Credit.
- c) Where payment is made under this **Policy** for the acquisition of goods, services or other supply, **We** will reduce the amount of the payment by the amount of any Input Tax Credit that the **Policyholder** is, or will be, entitled to under A New Tax System (Goods and Services Tax) Act 1999 (Cth) in relation to that acquisition.
- d) Where payment is made under this **Policy** as compensation instead of payment for the acquisition of goods, services or other supply, **We** will reduce the amount of the payment by the amount of any Input Tax Credit that the **Policyholder** would have been entitled to under A New Tax System (Goods and Services Tax) Act 1999 (Cth) had the payment been applied to acquire such goods, services or other supply.
