Important Information

The information provided in this section includes high level information about this Policy including privacy, how to make a claim, our dispute resolution process and other relevant information.

The Policy Wording section sets out the detailed terms, conditions and exclusions relating to the insurance.

If the builder purchases a policy for your building contract, you will be given a Certificate of Insurance. The Certificate of Insurance sets out the specific terms applicable to your cover and should be read together with the Policy Wording.

The Policy Wording and Certificate of Insurance form the basis of your cover with us so please keep them in a safe place for future reference. You should check the Certificate of Insurance, when you receive it to ensure it accurately reflects the building works being performed.

You should check the information listed on the Certificate of Insurance against your building contract as follows:

- Is the builder's name correct and does it match the builder's name on the contract?
- Does the ABN / ACN on the Certificate of Insurance match your contract?
- Is the 'declared contract price' on the Certificate the same as the price listed on your contract?

Residential builders warranty insurance

Building indemnity insurance protects you and subsequent homeowners. The Policy covers loss or damage resulting from the non-completion of the work or breach of statutory warranty because of the builder's:

- death; or
- disappearance; or
- insolvency.

A builder takes out this insurance Policy, but the beneficiary is you or subsequent homeowner.

The builder must provide a Certificate of Insurance to you for each job they undertake. In addition, a copy of the Certificate of Insurance will be provided to the builder/contractor and the local authority/ council.

The builder holds a copy of this Policy wording and a copy is also provided to each homeowner with the Certificate.

Who is covered by this policy?

You are the person covered under this Policy. We do not cover anyone except you.

What is covered by this policy?

We will pay for the following sustained by you:

- (a) loss or damage resulting from non-completion of the work because of the builder's insolvency, death or disappearance; or
- (b) loss or damage arising from a breach of a statutory warranty implied by the Act but only if you cannot recover compensation from the builder or have the builder rectify the loss or damage because of the builder's insolvency, death or disappearance.

How much will we pay?

We may do two things, at our option, when we pay a claim under this policy. We will either make good the loss or damage or pay the amount of that loss or damage.

However, the following limitations apply to what we will pay:

- We will not pay the first \$400 of each claim in relation to each house in each building insured under this Policy.
- We will not pay more than \$150,000 in total in the aggregate for all claims under this Policy for each house.
- If the work is carried out or to be carried out on land in a plan of subdivision containing common property, and the loss or damage relates to common property, we will not pay more to you for that claim than the amount calculated by dividing the amount payable for that claim by the number of dwellings in the building.

The limitations in this clause – 'How much will we pay' includes all the amounts payable under the heading 'What is covered by this policy'.

What we don't pay

We will not pay under this policy:

1. under 'What is covered by this Policy?' for work done by the builder other than on behalf of another person;
2. for claims in the nature of liquidated damages for delay or damages for delay. However, this limitation does not extend to any increase in rectification costs caused by the passing of time;
3. for loss or damage that could reasonably be expected to result from fair wear and tear of the work, or from your failure to maintain the work;
4. in relation to a defect in, or repair of damage to the non-residential part of a building that supports or gives access to the residential part, unless it is a defect or damage that adversely affects the structure of the residential part or the access to it;
5. for loss or damage caused by the normal drying out of the building if the builder has taken all reasonable precautions in allowing for the normal drying out when carrying out the work;
6. for damage due to or made worse by your failure to take reasonable and timely action to minimise the damage;
7. in relation to an appliance or apparatus (such as a dishwasher or air conditioning unit) if the claim is made after the manufacturer's warranty period ends, or, if there is no warranty period, outside the reasonable lifetime of the appliance or apparatus;
8. in relation to damage to work or materials that is made outside the reasonable lifetime of that work or materials or the manufacturer's warranty period for the materials;
9. for legal liability resulting from any event unless expressly insured under this Policy;
10. in relation to an interest in the building that is not your interest;
11. in relation to a defect due to a faulty design you or a previous owner have provided;
12. for a deposit, progress or other payment to the extent that it exceeds the amount or differs from the type specified for such a payment in section 30 of the Act;
13. for loss, damage or defects due to:
 - (a) an act, error or omission of someone other than the builder or someone they have contracted;
 - (b) faulty or unsuitable materials you supplied.
14. arising from, connected with or relating to personal injury, death (other than the builder), disease or illness of a person or for injury to or impairment of a person's mental condition;
15. for consequential loss of any kind, including loss of rent or other income, loss of value, loss of opportunity, inconvenience or distress, unless expressly insured under this Policy;

16. for any claims connected with or relating to:

- (a) war, invasion, acts of foreign enemies, hostilities or war like operations (whether war be declared or not), civil war, rebellion, revolution, insurrection, civil commotion assuming the proportions of or amounting to an uprising, military or usurped power, confiscation or nationalisation or requisition or destruction or damage to property by or under the order of any government or public or local authority;
- (b) your fraud or dishonest conduct of any kind;
- (c) any terrorism;
- (d) radioactivity or the use, existence or escape of any nuclear fuel, nuclear material or nuclear waste or action of nuclear fission or fusion;
- (e) the existence or use of asbestos products and/or products containing asbestos in the building or on or in the land on which the building is built;
- (f) mechanical or electrical breakdown, not attributable to the workmanship of, or the installation by the builder;
- (g) your failure to maintain appropriate protection against pest infestation or exposure to natural timbers;
- (h) the action of vermin, termites, moths or other insects, unless, and to the extent that, the work involved the treatment of the termites, moths or other insects or the prevention of the action of the vermin, termites, moths or other insects.

17. for loss claim, cost, expense or obligation of any kind directly or indirectly arising from or relating to mould, fungus, mildew or spores unless, and to the extent that, the work involved the treatment of mould, fungus, mildew or spores or the prevention of mould, fungus, mildew or spores;

18. for any claim insured under another Policy of insurance issued under or pursuant to the Act;

19. for any claims that were allowed to be excluded by the Act as at the date the certificate of insurance was issued;

20. and We will not be liable to provide any cover or provide any benefit under this policy, to the extent that to do so may expose us to any sanction, prohibition, or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country;

21. and We will not be liable to provide any cover or provide any benefit under this policy, to the extent that it is unlawful for us to do so.

How long are you covered for?

This policy covers claims in respect of work made within the period of five years from the completion of the work.

How long do you have to claim?

You must notify us of a claim for loss or damage resulting from all causes within 90 days of when you first became aware, or when you ought reasonably have become aware, of the fact or circumstance giving rise to the claim.

If you notify us of a defect, you are taken to have given notice of every defect to which the defect is directly or indirectly related, whether or not the claim in respect of the defect that was actually notified has been settled.

Making a claim

You must make a claim by completing our claim form. The claim form is available on our website www.qbe.com

In answering any questions you must be honest and tell us everything you know. We will use this information to decide whether to pay a claim.

You must give us any assistance, information or documents which we request. This includes giving us, our nominated builder and your builder, reasonable access to inspect, rectify or complete the work (unless you have reasonable grounds to refuse access).

You must not make any admissions, offer, promise or payment in connection with any claim.

You must comply with your obligations under the Policy, otherwise we may not have to pay your claim(s).

We will acknowledge receipt of your claim notification within five business days. At this time, we will confirm that we have all the required information or we will tell you of any other information needed to enable us to assess your claim.

We will notify you within 30 business days of receiving all the information necessary to assess your claim, if we accept that the builder is dead, has disappeared or is insolvent.

Failures by the builder

We will not refuse to pay a claim or reduce any payment because the builder:

- (a) failed to comply with the duty of disclosure; or
- (b) made misrepresentations to us.

However, in those circumstances, we may recover from the builder any amount we pay under this Policy.

General Conditions

Our rights and obligations

We may fulfil our obligations under this Policy by either:

- engaging or paying a builder to repair or rectify loss or damage; or
- paying you the cost to you of doing so.

Loss prevention

You must take all reasonable steps to prevent and/or minimise any act, error or omission or event which might cause or contribute to a claim under this Policy.

Recovery from others

If we pay a claim, we are entitled to be subrogated to your rights to recover against any other party (including the builder or a contractor or supplier or a liquidator or administrator or the estate of the builder) to the extent of the amount we paid.

You must not limit or exclude your rights against a party from whom you might otherwise be able to recover in respect of a loss or damage. If you do, our liability to you is reduced to the extent that we can no longer recover from that other party as a result of your actions.

You must provide us with reasonable assistance to recover damages or contribution from any other person.

Goods and services tax

1. Despite the other provisions of this policy, our liability to you will be calculated taking into account any input tax credit to which you would have been entitled to for any acquisition which is relevant to your claim.
2. You must tell us whether you were entitled to claim an input tax credit on the premium at the time of making a claim under the policy. If you do not provide us with this information we may deduct up to 1/11th of the amount otherwise payable in settlement of your claim.
3. If you are registered for GST, this represents the reduction in the cash settlement for claims that would apply based on your entitlement to claim an input tax credit on the replacement goods or services.
4. If you were not entitled to an input tax credit on the premium, this will equal the GST credit to which we would have been entitled if you had disclosed your entitlement.
5. If you are only entitled to a partial input tax credit on the premium, this represents the reduction in the cash settlement for claims that would apply based on your entitlement to claim an input tax credit on the replacement goods or services plus the GST credit to which we may have been entitled if you had disclosed your entitlement.
6. Unless stated otherwise, all amounts payable by us under this policy and all policy limits are inclusive of GST.
7. 'GST', 'input tax credit' and 'acquisition' have the meaning given under the A New Tax System (Goods and Services Tax) Act.

Application of laws

This Policy is subject to the law of South Australia, including Commonwealth legislation such as the *Insurance Contracts Act 1984* (Cth).

References to legislation

Legislation referenced in this Policy includes subsequent legislation. Any term used in this Policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth or State) with materially the same object or purpose whether in whole or in part.

Conflict with the Act

This Policy is intended to comply with the requirements set out under the Act. However, if this Policy conflicts with, or is inconsistent with the Act, the Policy must be read and enforceable as if it complies with the Act.
