You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

Where the *Marine Insurance Act 1909* (Cth) applies:

If you fail to comply with your duty of disclosure, we may avoid the contract of insurance from its beginning.

Where the *Insurance Contracts Act 1984* (Cth) applies:

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

Section 8: General conditions (applicable to all sections)

Changes to your circumstances

If you want to make a change to this Policy, the change becomes effective when we agree to it in writing. If you do or omit to do something which materially changes the risk, as disclosed at the commencement or renewal of this Policy or in your Policy Schedule, that increases the chances of future loss, you must give us notice in writing as soon as possible.

If you do not give us notice, we will only cover you to the extent we would have agreed to cover you had you told us about the change.

Authorisation

We may give to and obtain from any other insurers, insurance reference bureaus and credit reporting agencies any information relating to your credit or insurance history as well as insurance claims information.

Automatic reinstatement

The indemnity granted by this Policy is limited to the limit of liability shown in the Policy Schedule, which is reduced by any claims paid. Reinstatement shall be automatic subject to payment of the appropriate additional premium and any charges (where applicable). If we request an additional premium, you must pay it to us, or the cover will be reduced by the amount of the claim settlement.

Benefit of insurance

The carrier or any other bailee cannot claim any benefit under this Policy. Your rights under this Policy are not prejudiced by any agreement exempting the carrier from liability.

Contribution and other insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Sending you documents

Documents relating to your insurance policy will be sent by post or email. Where you have been given the choice, they will be sent by your chosen delivery method and you can change your preference at any time.

It is your responsibility to make sure your contact details are current (including telephone number, email and mailing address where relevant) and you must update these as soon as they change.

Joint and co-insureds

If more than one person is named as the insured in the Policy Schedule, we will treat an act, omission, statement or a claim by any one of those persons as an act, omission, statement or a claim by all of them.

References to legislation

Legislation referenced in this Policy includes subsequent legislation. Any term used in this Policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

Underinsurance

We require you to insure for the full value or maximum potential risk. If you do not do so, and you are underinsured, we may pay you less in the event of a claim, calculated in accordance with either the Policy or the *Marine Insurance Act 1909* (Cth) where applicable, which takes into account the degree of underinsurance.

Other interests

You must inform us of the interests of all third parties (e.g. financiers or lessors) to be covered by this Policy. We protect the interest of third parties only if you have informed them and the interest (s) are noted in the Policy Schedule.

You must not transfer any interests in your Policy without our written consent (which will not be unreasonably withheld).

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy in relation to any claim they make.

Turnover/sendings and premium calculation

The deposit premium calculated and payable at the commencement of each period of insurance is based on estimated turnover/sendings figures provided by you. You must declare the actual turnover/sendings on expiry of the period of this Policy or any subsequent period for which the Policy is renewed within two months from the expiry of each period of insurance. This figure should represent the actual value of all goods for which we were at risk during the period of insurance.

The premium will be adjusted in accordance with the rating factors set out in the Policy Schedule or as otherwise agreed in writing. The difference between the premium for the actual figures at the end of the period and the deposit premium will be paid by or refunded to you, subject to a minimum premium of 75% of the deposit premium being retained by us.

If the deposit premium is \$2,000 or less, the deposit premium shall be regarded as the minimum premium for the period of insurance shown in the Policy Schedule, and no adjustment or declaration of actual figures is required.

You are required to keep accurate records and, on request, will submit audited copies to us. If we request an audited copy of the records and this is not available then we may appoint an auditor. We will pay for the cost of the audit but if it reveals that the figures declared by you are understated, you must reimburse us that cost.

Warranties

Any warranties specified in the Policy Schedule are to be regarded as conditions of the Policy.

Section 9: Claims

How much we pay

Depending upon the circumstances, the amount we pay will be (unless otherwise stated in the Policy Schedule):

- the cost of repairing or replacing lost or damaged goods including freight costs; or
- the actual value of the lost or damaged goods at the time of loss (e.g. unless the goods were new, an amount for depreciation and wear and tear will be deducted from the claim) including freight costs.

This amount will be subject to the limit of liability stated in the Policy Schedule.

It may be that we do not consider the loss or damage is covered by this Policy. Whatever our decision, we will write to you and clearly explain our reasons.

Antiques, paintings and pictures

The amount we pay will be:

- the reasonable cost of repair excluding any depreciation; or
- the market value of the goods as established by an independent and qualified valuer.

Brands/labels

In the event of loss or damage of goods bearing embossed or indented brands or labels or other permanent markings identifying you as the manufacturer or supplier, or exclusive and/or secret formula that may be involved, the goods may be retained by you to dispose of as you see fit provided a reasonable allowance is agreed for the value of the damaged and undamaged goods.

Where only the labels of the goods are affected by the insured event, the amount payable by us is limited to the reasonable cost of reconditioning and re-labelling. Subject to our liability not exceeding the value of the goods.

Claims documentation

To enable claims to be dealt with promptly, you are advised to submit all available supporting documents without delay, including, where applicable:

- (d) Policy number or evidence of insurance;
- (e) original contract of carriage, consignment note or other contract of carriage;
- (f) original or copy shipping invoices, shipping specifications, weight notes, sales invoice or other document evidencing value;
- (g) survey report or other documentary evidence to show the extent of the loss or damage;
- (h) delivery docket and weight notes at final destination;
- (i) correspondence exchanged with carriers and other parties regarding their liability for the loss or damage.

Excess

The amount stated in the Policy Schedule as the excess will be deducted from each and every loss.

Fraudulent claims

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is any way fraudulent; or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

General average

In the event of a general average contribution arising under this Policy, contact us before signing any general average bond.

Limit of liability

Our liability is limited to the amount stated in the Policy Schedule for any one loss or series of losses caused by the one insured event.

New machinery replacement

Where loss or damage to any part or parts of a new machine is caused by an insured event, the amount the insurers pay will be:

- the cost of replacement or repair of the part or parts; and
- additional charges for forwarding and refitting.

Subject to our liability not exceeding the value of the complete machine.

Pairs and sets

Where any item is part of a pair or set, we will only pay the reasonable cost of replacing or repairing that item. We do not pay for any special value the item may have as part of the pair, set or collection.

If we can't repair an item which forms part of a set or pair or it can't be replaced because:

- we're unable to reasonably match it; or
- the functionality of the set or pair is lost (e.g. hearing aids/sporting equipment);

you can choose to either:

- surrender the remaining item(s) to us, in which case we'll pay the replacement value of the set or pair, up to any applicable limit; or
- keep the remaining item(s), in which case we'll pay the replacement value of the lost or damaged item.

Second-hand replacement

Where loss or damage to any part of the goods is caused by an insured event and new parts are used, the amount we pay will be:

- the proportion of the cost of replacement of parts lost or damaged as the amount insured bears to the value of an equivalent new unit; plus
- additional charges for forwarding and refitting the new part or parts if incurred.

Subject to our liability not exceeding the value of the goods.

What you must do

If there is any loss or damage which may result in a claim under this Policy, you must take the following steps:

1. Action as soon as possible:
 - Take all reasonable measures to avoid or minimise any loss, damage or expense (the reasonable and necessary cost of doing this will be payable by us);
 - Take all reasonable steps to ensure that all rights against carriers, bailees or other third parties are properly preserved and exercised;
 - Inform the police as soon as possible after a theft is discovered.
2. Notification:
 - Inform us of the event as soon as possible;
 - Submit to us full written particulars as soon as possible;
 - Send to us all correspondence and documents relating to the event;
 - Provide, or arrange for us to be provided with, statements, invoices, and other items documenting the amount of the loss.
3. When other parties may be liable to you for the loss, damage or liability, you must:
 - not agree to release those parties from liability;
 - hold the parties liable by delivering a notice of intention to claim within three days of delivery;
 - in no circumstances, except under written protest, give clean receipts where the goods are in doubtful condition.
4. When delivery is made by container, ensure that the container and seals are examined immediately by the responsible official:
 - If the container is delivered damaged or with seals broken or missing or with seals other than stated in the shipping documents, note the delivery docket accordingly and retain all defective or irregular seals for subsequent identification.
5. If the loss or damage was not immediately apparent at the time of delivery, apply immediately for surveys by the carriers or other bailees to be conducted within three days of delivery.
6. Inform us of the circumstances and let us have a copy of all relevant documents.

Measures taken by you or us with the object of saving, protecting or recovering the goods insured shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.

Failure to comply with the above conditions concerning claims procedures and documentation may prejudice any claim under the Policy.

How claims administration and legal proceedings are undertaken

When we pay a claim under your Policy, we have the right to exercise your legal rights in your name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct and settlement of the recovery, including any legal defence. When we do any of these things in your name, it will be at our expense, however you'll need to give us reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid. During the administration, conduct or settlement of the recovery, you can seek an update on the status of proceedings and we will consult you where appropriate.

When we pay a claim and some of the loss isn't covered by your Policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents that support your loss and agree with us on how we'll handle that recovery.

You may also need to contribute to the associated costs if, to recover the loss for you, we need to take additional steps that we wouldn't otherwise need to take. We will talk to you about these steps before we take them.

If you've received a benefit under your Policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover our reasonable administration, investigation and legal costs.

How Goods and Services Tax affects any payments we make

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- (a) not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;
- (b) registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a Damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number and Taxable Percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in A New Tax System (*Goods and Services Tax*) Act 1999 and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

Section 10: Cancellation

At any time, you may cancel this Policy by giving us notice in writing. If there are other people named as insured on your Policy, we may rely on a request from one insured to cancel your Policy.

We may cancel your Policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date or if you told us something that you knew to be incorrect or untrue during your application for cover) by informing you in writing (including electronically).

The notice of cancellation does not apply to any goods that have commenced transit in accordance with the conditions of this Policy before cancellation becomes effective.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance, we'll refund you the proportion of the premium for the remaining period of insurance, less any non-refundable government fees, duties or charges, irrespective of any premium funding arrangement by you.

If the premium is based on turnover or other variable amount that must be declared to us, any refund of premium will be made after the turnover or other variable amount has been declared to us and the premium adjusted irrespective of any premium funding arrangement by you.
