QCyberProtect

Our Cyber Insurance policy helps protect against a range of risks associated with digital technology and provides critical support in case of a cyber event.

What we cover

A cyber event can quickly cripple a company's operations. QBE's comprehensive Cyber policy provides bespoke coverage that guards against loss arising from current and emerging cyber risks. QBE's Cyber insurance offering can include:

- Network Security and Privacy Liability Coverage
- Privacy Regulatory Proceeding Coverage
- Media Liability Coverage
- Event Expense Coverage
- Network Extortion Coverage
- Business Interruption Coverage
- Dependent Business Interruption Coverage
- Bricking Coverage
- Consequential Reputational Loss Coverage
- Reward Fund Coverage
- Cryptojacking Coverage
- Social Engineering Coverage

Target market

Broad capacity for cyber risk: from companies with fully outsourced IT networks to those with complex, large-scale IT systems.

QBE clients range from medium-sized enterprises to global corporations. Clients will have:

- minimum revenue size $100m,
- primary and excess capacity up to $10M.
