About this booklet

There are two parts to this booklet. The first part is Important Information about this Policy including information about how we'll protect your privacy and how to make a complaint or access our dispute resolution service.

The second part is your Policy Wording which sets out the detailed terms, conditions and exclusions of the Policy.

Because we don't know your own personal circumstances, you should treat any advice in this booklet as purely general in nature. It doesn't consider your objectives, financial situation or needs. You should carefully consider the information provided with regard to your personal circumstances to decide if it's right for you.

This booklet is also a Product Disclosure Statement (PDS). Other documents you receive may comprise the PDS. You'll know when this happens because it'll say so in the document.

Information in this PDS might change. If the change is adverse and might affect a reasonable person's decision to buy the policy, then either a supplementary PDS (SPDS) or a new PDS will be provided at renewal. You can get a copy of all updates (whether adverse or not adverse) at no charge by us, simply by calling us.

Policy Wording

This Policy is issued by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

Our agreement

Your Policy is an agreement between you and us, made up of:

- this Policy Wording;
- your Policy Schedule, which sets out the cover you've chosen and any terms specific to you.

The cover under this Policy is provided during the period of insurance, once you've paid us your premium. There are also:

- Conditions and exclusions which apply to specific covers or sections;
- General exclusions, which apply to any claim you make under this Policy;
- General conditions, which set out your responsibilities under this Policy;
- Claims conditions, which set out our rights and your responsibilities for when your claim is accepted; and
- Other terms, which set out how this Policy operates.

Excesses

An excess is an amount you pay whenever you make a claim.

The number of excesses and the amounts you pay are shown on your Policy Schedule. If more than one excess applies, you'll have to pay the total of all the excesses. If we find your claim involves more than one incident, you'll have to pay the applicable excesses for each incident.

How much we'll pay

The most we'll pay for a claim is the sum insured which applies to the cover or section you're claiming under, less any excess.

Paying your premium

The ways you can pay your premium, and the frequency you can pay it, are described below:

- annually or by instalments;
- cash, cheque, credit card or bank transfer.

Your premium and how you've chosen to pay it are shown on your Policy Schedule.

Annual premium

We will let you know how much premium you need to pay us, how to pay it and when. If you pay your premium annually, you need to pay your premium on time to ensure you are covered. If you don't pay the premium your Policy may be cancelled and we'll write to let you know when this will happen.

Instalment payments

If you pay your premium by instalment, your Policy Schedule will show the date and frequency of your instalments. If your direct debit details change you must tell us no later than seven days before your next instalment is due to allow us to process the change in time.

At renewal

If you pay by instalments, and you renew your Policy, we'll continue to deduct instalments for a renewed Policy at the new premium level according to the same instalment pattern, unless you tell us to stop your direct debit.

If you don't want to renew, you must tell us at least seven days before your Policy's end date so that we can arrange for the direct debit to stop in time.

What happens if you miss an instalment?

If you miss an instalment we'll contact you to ask you to pay it or arrange to collect it from you. If you don't pay the missed instalment your Policy may be cancelled, and we'll write to let you know when this will happen.

If you don't pay the missed instalment and a claim arises, then we will deduct the missed instalment from your claim.

If your payment details change

If your direct debit details change, such as you changing credit cards or bank accounts, you must tell us at least seven days before your next payment date to allow us to process the change in time.

Adjustment of premium on renewal

If we invite you to renew your Policy, we will send you a renewal invitation. If you make any changes to your Policy after we send you our renewal invitation, and we have agreed to continue to insure you, we will send you an updated renewal invitation. You will need to pay us any additional premium to ensure your cover is not affected.

A claim on your Policy may affect your renewal premium

If we send you a renewal invitation and the premium doesn't take into account a claim on your Policy, you agree to pay us any additional premium we would have charged if we had known about that claim.

If you tell us about the claim before your renewal takes effect and we agree to continue to insure you, we may apply specific conditions to your Policy (including applying an additional policy excess) and/or recalculate your renewal premium and send you an updated renewal invitation.

If your Policy has already renewed, we may ask you for an additional premium. If you're paying in instalments, any remaining instalments will be adjusted to reflect the additional premium. If you've already paid your renewal premium in full, you'll need to pay us any additional premium to ensure your cover is not affected. If you don't pay the additional premium by the due date then we may:

- deduct the outstanding premium amount from a claim payment; or
- cancel your Policy (see 'Cancelling your Policy').

If it was reasonable in the circumstances for you to be unaware that you had a claim until after we issued your renewal invitation, we will not ask you to pay the additional premium for that renewal period however the claim may affect your future renewal premiums and/or future policy conditions (including the application of an additional policy excess).

Please note we may have other rights under this Policy or as permitted by law, depending on the circumstances.

In the event of a claim you will be required to provide reasonable evidence that you have complied with this condition.

(b) Theft or attempted theft of your RC:

- while stored ashore on a permanent storage rack or trestle in a locked shed, garage or premises provided there is physical evidence of visible and violent and forcible removal from or entry to the place of storage;

It is a condition of this cover that you are at all times required to take reasonable measures to prevent theft of your RC (e.g. placing rowing equipment/accessories temporarily removed from the RC in a secure place of storage).

In the event of a claim you will be required to provide evidence that you have complied with this condition.

(c) Other expenses

If your RC gets into difficulties or is damaged accidentally, we will pay the reasonable cost of taking action to:

- minimise loss or damage; or
- remove the RC to safety (including emergency towing).

You do not need our authority to take such action if it is an emergency and you are unable to contact us to obtain authority.

However, you must advise us as soon as possible after the action has been taken.

Optional overseas racing extension

Where you choose to have cover under the following optional overseas racing extension, and you have paid any additional premium we ask for, we will provide additional cover (subject to individual application) to you for accidental loss or damage to your RC:

- money, credit cards, spectacles, sunglasses, watches, jewellery, cameras, mobile phones, pagers.

How much we pay – loss or damage to your RC

If your RC is accidentally damaged or stolen the basis of claims settlement will be:

Total loss

If your RC is an actual loss or constructive total loss (not economical to repair), we will either:

- pay the agreed sum insured as shown in the Policy Schedule, and take ownership of the salvage; or
- pay the amount of loss or damage up to the sum insured or its market value, whichever is the lesser, if the word 'market value' are shown in Policy Schedule;
- replace your RC with an equivalent RC of the same make, model or series so long as it is available in Australia, and take ownership of the salvage.

Partial loss

Repairs

If your claim is accepted and your RC can be repaired, we will, either:

- repair your RC or the part(s) involved to as near as possible to the condition and standard it was before the loss or damage occurred; or
- pay you the reasonable cost of repairing your RC or part(s) to as near as possible to the condition and standard it was before the loss or damage occurred.

Note we will not treat the RC as a constructive total loss (not economical to repair) solely due to the RC not meeting specifications due to changes in weight or performance of the RC or rowing equipment or accessories, whether before or after repair or replacement.

However, the maximum amount payable will not exceed the total sum insured under any circumstances. Any lost or damaged parts will become our property.

Replacement of parts

If your claim is accepted and the part(s) can be replaced, we will, either:

- pay you the reasonable cost of replacing the part(s) to as near as possible to the condition, standard and specification it was before the accident;
- pay you the sum insured of the part(s) involved and take ownership of any salvage; or
- pay you the current market value of the part(s) (where there is no agreed value) and take ownership of any salvage.

Where you have not specified a separate sum insured for the part of the RC, or an individual item, then the maximum we will pay is the current market value of the part or item.

However, the maximum amount payable will not exceed the total sum insured under any circumstances.

We will not:

- pay the extra costs to repair your RC to a better condition and standard than it was before the loss or damage;
- fix a fault in your RC that existed before the loss or damage occurred; or
- pay for repairing pre-existing damage that you did not repair or make a claim for in the past. If we agree with you, you can pay the extra cost of repairing this damage as part of our repairs.

Contribution to repairs

If your RC is less than five years old we will pay for the cost of repairs using new parts as needed.

If your RC is aged five years or more we may require you to contribute towards the cost of buying new parts used for repairing your RC if the damaged parts are affected by age or wear and tear.

The amount of any contribution which we request will be reduced to the extent of any reasonable wear and tear to damaged parts.

Pairs of blades

In the event of total loss of one blade from a pair of blades and a matching replacement blade is unavailable, then the pair of blades will be considered a total loss and we will pay the sum insured of the pair of blades or replacement price whichever is the lesser.

You must clearly mark all pairs of blades so as to be easily identified as your property.

We will not cover you:

1. for your legal responsibility arising out of the use of the RC;
2. when your RC is outside the cruising limits defined in the Policy Wording or as described in your Policy Schedule;
3. when your RC was in the control of you or any person with your express or implied consent while under the influence of alcohol or of any drug or had a percentage of alcohol or drugs in your/their breath or blood in excess of the percentage permitted by law in the place where the loss, damage or liability occurred. But we will cover you if you were not on board the RC at the time and can clearly demonstrate that you had no reason to suspect that the person in control would be under the influence of alcohol and any drug or had a percentage of alcohol or drugs in excess of legal limits;
4. when your RC was being used for an unlawful purpose;
5. when your RC was being used for hire or charter, or for payment or reward at the time of the accident;
6. when your RC was being towed on a trailer and the driver with your express or implied consent was not licensed to drive a vehicle in accordance with law. But we will cover you if you were not in the vehicle at the time and can clearly demonstrate that you had no reason to suspect that the driver was unlicensed;
7. when your RC is being transported on a non-purpose built trailer;
8. when your RC is being loaded or unloaded or transported by a commercial carrier unless you tell us beforehand in writing, and we agree in writing to cover you;
9. when you do not keep the RC in good order and repair, or in a proper state of seaworthiness and in compliance with the minimum safety equipment and safety standards as required under the relevant Maritime regulatory standards applicable to your RC.

Sanctions limitation and exclusion

We will not be liable to provide any cover, pay any claim or provide any benefit under this Policy, to the extent that to do so may expose us to any sanction, prohibition or restriction under United Nations resolutions or any applicable trade or economic sanctions, laws or regulations of any country.

Laws impacting cover

We will not be liable to provide any cover, pay any claim or provide any benefit under this Policy, to the extent that it is unlawful for us to do so.

General conditions

There are conditions set out in this General conditions section, in the Claims section and under each particular cover and section. If any of these conditions aren't met, we may refuse a claim, reduce the amount we pay or in some circumstances we may cancel your Policy. When making a claim, you must have met and then continue to comply with the conditions of your Policy. Any person covered by your Policy, or claiming under it, must also comply with these conditions.

If you, or someone covered under your Policy, don't meet these conditions or make a fraudulent claim we may:

- refuse to pay your claim or reduce what we pay for your claim;
- cancel your Policy.

Assistance and co-operation

To help us process your claim, you must provide us with all reasonable assistance, including:

- providing us with relevant information and documents, such as proof of purchase, registration papers or repair;
- telling us promptly if you've been contacted by someone about your RC or claim;
- attending one or more interviews about the claim if we ask you to;
- making your RC available for us to inspect or examine;
- taking your RC, or allowing us to take it, to a place we require;
- responding to our requests in a timely manner.

At all times you must refrain from behaving in a way that's improper, hostile or threatening towards us, our representatives, our suppliers or third parties involved in an incident.

If you don't co-operate in any of these ways, it may delay your claim, or we may reduce or refuse to pay your claim.

Automatic reinstatement

When we pay a claim for your RC or an item under this Policy, the sum insured for your RC or that item is automatically reinstated to the amount shown in the current Policy Schedule, provided you:

- give us written details of the replacement RC or item(s) within 14 days of buying them; and
- pay us any additional premium that we ask for.

Care and maintenance

You must take reasonable care to prevent damage, injury or loss. We won't pay for damage, injury, loss or your liability to which your failure to

take reasonable care is a contributing factor, for example:

- you continue to use your RC after it has been damaged;
- not securing your RC after it has been damaged or you've been notified it has been found after it was stolen.

There is also no cover if:

- you've given someone else permission to use your RC and then they steal it;
- you or anyone using your RC admits fault or liability for an incident, unless we would have provided cover under your Policy anyway.

At all times you must:

- prevent damage to property insured, as well as to others and their property;
- minimise the cost of any claim under your Policy.

There is no cover if, at the time of the incident, your RC:

- did not meet the applicable Maritime registration requirements in your state or territory; or
- lacked repair or maintenance; or
- was not seaworthy or was in an illegal condition, unless its condition did not cause or contribute to the incident.

Changes to your circumstances

You must tell us as soon as possible if any of the information on your Policy Schedule is incorrect or has changed. For example, you must tell us if:

- your RC is replaced or sold;
- the address where your RC is usually kept changes, including changes to where the RC is stored;
- there is a change to how your RC is used;
- you want to list to the Policy any other navigators who use your RC;
- the location or type of mooring for your RC changes;
- your contact details like email, phone number or mailing address change;
- you want to change cover options that you have selected;
- you wish to modify your RC from the manufacturer's specifications to improve your RC's performance;
- a non-standard accessory has been added;
- there is any other change to the details listed in your Policy Schedule.

If you don't tell us, we may reduce or refuse to pay a claim.

If you wish to insure any fitted non-standard accessory or modification, each one must be advised to us for our acceptance, which we will confirm by issuing an alteration advice.

When you tell us about a change or request a change to your Policy, we will assess the change to the risk in accordance with our underwriting rules and processes. If you request any change to cover (for example, you choose to add a cover option) and we agree to the change, we will issue a new Policy Schedule and ask you for any additional premium.

If an additional premium is required, the change to your cover will only become effective when:

- if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
- you have paid the additional premium by the due date we give to you. If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the most recent contact details you provided to us. If we don't receive payment of the additional premium owed, the change will not be effective and we will confirm this by issuing a replacement Policy Schedule. If you request any change to cover and we don't agree to the change, then we will let you know and the Policy will continue unchanged.

If you tell us about a change in your RC or your RC's value then we will consider it under our underwriting rules and processes, and depending on the underwriting assessment:

- if we do not agree to the change then we will cancel your Policy and refund the unused portion of the premium;
- if we agree to the change, we will issue a new Policy Schedule and ask you for any additional premium, inform you of any change in terms, and any additional applicable excess(es). If an additional premium is required, the change will only be effective when:
 - if you're paying in instalments by direct debit, any remaining instalments have been adjusted to reflect the additional premium; or
 - you have paid the additional premium by the due date we give to you.

If you don't pay the additional premium by the due date then we will make reasonable efforts to contact you using the latest contact details you provided us. If we don't receive payment of the additional premium owed, then we will cancel your Policy. We will use the latest contact details you provided us to notify you of the cancellation date, which will depend on factors including:

- if we do not agree to the change then we will cancel your Policy and refund the unused portion of the premium;
- the premium you have already paid on your Policy; and
- the remaining period of insurance.

You will not receive a refund as we will use the premium you have already paid to delay the cancellation date by as long as possible. If you pay the additional premium after we notify you but before the cancellation date, then we will no longer need to cancel your Policy.

Automatic Additions - Limit \$15,000

If during the period of insurance, you acquire a new (or replacement) RC or rowing equipment up to the value of \$15,000 - we will automatically insure the RC or rowing equipment until the Policy next renews:

- from the time you bought it; and
- up to the same value as your existing sum insured; and
- no longer covers the existing RC or rowing equipment.

You must provide us with written details of the items within thirty days of purchase.

If you make a claim for loss or damage to these items during the period which this additional benefit is applied, we will require that you pay a pro-rata premium payable to insure the items from the date of purchase.

Purchase of a new or replacement RC exceeding \$15,000 in value

If you purchase a new (or replacement) RC or rowing equipment exceeding \$15,000 in value, the Policy covers it:

- from the time you bought it; and
- up to the same value as your existing sum insured; and
- no longer covers the existing RC or rowing equipment.

We will give you this cover for the new (or replacement) RC or rowing equipment after you:

- give us written details of it within thirty days of buying it; and
- pay us any additional premium that we reasonably ask for.

In giving you this cover, we will consider either the price you paid for the RC, rowing equipment and accessories, and its trailer, or our valuation as the sum insured of that item.

Other party's interests

You must not transfer any interests in your Policy without our written consent.

You must tell us of the interest of all parties (e.g. financiers, lessors or owners) who'll be covered by your Policy. We'll protect their interests only if you've told us about them and we've noted them on your Policy Schedule.

Any person whose interests you've told us about and we've noted on your Policy Schedule is bound by the terms of your Policy in relation to any claim they make.

Claims

This section describes what you must do, as well as conditions that apply when you make a claim and at the time loss or damage occurs which is likely to give rise to a claim.

What you must do

If an incident happens which may give rise to a claim, you must:

- take all reasonable and responsible precautions to prevent any further loss or damage to your RC;
- if required by law, you must report the incident to the Maritime authorities;
- make a report to the police as soon as reasonably possible if there is injury, malicious damage and theft or attempted theft of your RC, and provide details of the report to us. We may need the police report number to process your claim or our recovery action if there is a third party who is liable for your loss;
- contact us and tell us details of what has happened; complete our claim form and any other form reasonably required which we ask you to;
- complete, and take it or email it to our claims department at any of our offices.
Our claim form is available from your financial service provider or you may download it from www.qbe.com.au

You must not authorise repairs to your RC without our consent

We have the right to settle or defend a claim against you by another person.

If you have a claim, we will either:

- make or accept any offer or payment, or in any other way admit you are liable; or
- settle or attempt to settle any claim; or
- defend any claim.

In the event of an incident that may give rise to a claim, you do not need our authority to remove the RC to safety if it is an emergency and you are unable to contact us to obtain authority (see Other expenses).

When we may refuse a claim

We may refuse a claim if amongst other things:

- in the application or when making a claim, you are not truthful;
- have not given us or refuse to give all relevant details, or have not told us something when you should have;
- you do not at all times take reasonable care to:
 - prevent theft of the RC, rowing equipment, blades, oars and accessories and trailer;
 - protect your RC against any initial or further loss or damage, keep your RC in good condition;
 - prevent loss or damage to other people's property; and
 - obey any statutory requirements that safeguard people or their property;
- you do not give us the relevant documents and information we may reasonably need to help determine the amount you may be entitled to;
- you do any of the following without our knowledge and consent:
 - make or accept any offer or payment, or in any other way admit you are liable;
 - settle or attempt to settle any claim, or defend any claim;
 - you do not as soon as reasonably possible make a report to the police about: any malicious damage or vandalism to your RC; or
 - any theft or attempted theft of your RC;
- you must give us a written statement from the police saying that you reported such an event to them.

How claim administration and legal proceedings are undertaken

When we pay a claim under your Policy, we have the right to exercise your legal rights in your name against the person responsible for the loss or damage.

We'll take full control of the administration, conduct or settlement of the recovery, including any legal defence. When we do any of these things in your name, it will be at our expense, however you'll need to give us reasonable assistance. This may include following our directions in relation to the conduct of any legal proceedings even after a claim has been paid.

When we pay a claim and some of the loss isn't covered by your Policy, we may offer to try to recover that loss for you when we take any steps to recover the covered loss. We can only do so if you agree to give us documents that support your loss and agree with us on how we'll handle that recovery.

You may also need to contribute to the associated costs if, to recover the loss for you, we need to take additional steps that we wouldn't otherwise need to take. We will talk to you about these steps before we take them.

If you've received a benefit under your Policy that you were not entitled to, we reserve the right to recover from you the amount we have paid. If we decline a claim for fraud, we reserve the right to recover our reasonable administration, investigation and legal costs.

What can affect a claim

We will reduce the amount of a claim by the excess shown in the Policy terms and conditions or on the Policy Schedule.

We may refuse to pay a claim if you are in breach of any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one section of the Policy.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent; or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

Contribution and other insurance

When making a claim, you must notify us of any other insurance that you're aware will or may, whether in whole or in part, cover any loss insured under your Policy.

If at the time of any loss, damage or liability there's any other insurance (whether issued to you or any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Claim payments and GST

We pay claims inclusive of GST unless the owner of the vessel is a business which is, or needs to be, registered for GST. In that case, we'll reduce the amount we pay to settle the claim by the Input Tax Credit amount to which they are, or would be, entitled. If they fail to disclose or understate their entitlement, they may be liable for GST on a claim we pay.

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend you seek professional advice.

Unless we say otherwise, all amounts in your Policy are inclusive of GST.

Preventing our right of recovery

If you've agreed with or told someone who caused you loss, damage or liability that you won't hold them responsible then, to the extent we've been prejudiced by this act, we won't cover you for that loss, damage or liability.

Providing evidence and information

You must be able to demonstrate that you've suffered a loss covered by your Policy for your claim to be accepted. We may ask you for this proof if you make a claim under your Policy. So your claim can be assessed quickly, make sure you keep the following records:

- evidence of purchase (e.g. a sales receipt, sales invoice or sales contract) that shows a description, amount paid, where and when you bought it and from whom including financial transactions (e.g. debit details, credit card or bank statements);
- if registered, the current registration papers for your RC;
- valuations that substantiate the value of your RC;
- survey reports that substantiate the condition and value of your RC;
- current photographs of your RC including interior and exterior views.

Salvage

We're entitled to obtain and retain any items or materials salvaged or recovered after we pay a claim by replacing or paying to replace any items or materials. We may sell the items or materials and keep the proceeds.

Assistance and co-operation

In the event of a claim, any benefits that this Policy gives you depend on you giving us full details of your loss and any help that we require, including further written statements and relevant documents. We may also require you to attend Court to give evidence.

We may attempt to recover the amount of our payment from the person who caused you to suffer loss or damage, or we may want to defend you if it is alleged that you caused loss or damage to someone else.

You must send to us any letters, demands, notices or Court documents you receive relating to an accident that resulted or could result in a claim.

Excesses

For most claims you make on this Policy, you will have to pay the excess which is shown on your Policy Schedule.

The following details the excess payable based on the sum insured of your RC:

Sum insured Policy excess

Sum insured	Policy excess
\$0 – \$15,000	\$250 per insured item
\$15,001 – \$25,000	\$350 per insured item
\$25,001 – \$50,000	\$500 per insured item
\$50,000 and above	\$1,000 per insured item
Other Policy excess	
Blades and oars	\$50 each
Overseas racing extension	As agreed

When you will not have to pay an excess

You will not have to pay an excess for claims for total and/or constructive total loss of your RC.

Other terms

These other terms apply to how your Policy operates.

Cancelling your Policy

You can cancel your Policy at any time by telling us. If there are other people named as insured on your Policy, we may rely on a request from one insured to cancel your Policy.

We may cancel your Policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date or if you told us something that you knew to be incorrect or untrue during your application for cover) by informing you in writing.

We'll give you notice in person or send it to your address (including an electronic address) last known to us.

If you've paid your premium in advance, we'll refund you the proportion of the premium for the remaining period of insurance, less any non-refundable government fees, duties or charges.

Changing your Policy

Changes to this Policy only become effective when we agree to them and send you a new Policy Schedule detailing the change.

When there is more than one insured

When there is more than one insured on your Policy, we may treat what any one of them says or does in relation to your Policy or any claim under it, as said or done by each of the insureds. We may rely on a request from one insured to change or cancel your Policy or tell us where a claim payment should be paid. Where a payment is made to one insured under this Policy, we have no further obligations to any other insured regarding that payment.

References to legislation

Legislation referenced in this Policy includes subsequent legislation. Any term used in this Policy and defined by reference to legislation will have the meaning given in any replacement definition or definition with materially the same object or purpose in subsequent legislation.

'Subsequent legislation' means:

- an act or regulation as amended, replaced or re-enacted;
- where an act or regulation has been repealed, the current equivalent act or regulation (Commonwealth, State or Territory) with materially the same object or purpose whether in whole or in part.

Sending you documents

Documents relating to your insurance policy will be sent by post or email. Where you have been given the choice, they will be sent by your chosen delivery method and you can change your preference at any time.

It is your responsibility to make sure your contact details are current (including telephone number, email and mailing address where relevant) and you must update these as soon as they change.
