You must read this notice before you complete the application form.

Duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- · reduces the risk we insure you for; or
- · is common knowledge; or
- · we know or should know as an insurer; or
- · we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Claims made

This Policy operates on a 'claims made and notified' basis. This means that the Policy covers you for claims made against you and notified to us during the period of insurance.

The Policy does not provide cover in relation to:

- l. acts, errors or omissions actually or allegedly committed prior to the retroactive date of the Policy (if such a date is specified);
- claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- 3. claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- 4. claims made, threatened or intimated against you prior to the commencement of the period of insurance;
- 5. facts or circumstances of which you first became aware prior to the period of insurance, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this Policy; and
- claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practical after you become aware of those facts but before the expiry of the period of insurance, you may have rights under section 40(3) of the *Insurance Contracts Act 1984 (Cth)* to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of insurance. Any such rights arise under the legislation only. The terms of the Policy and the effect of the Policy is that you are not covered for claims made against you after the expiry of the period of insurance.
