- \$1,000 baggage loss and \$500 baggage delay (\$3,000 and \$1,500 on the Multi-trip plan)

REMEMBER...

Provincial health insurance covers only a small portion of the cost of a medical emergency while you are traveling. For example, a 5-day hospital stay in Florida can result in charges of \$50,000 or more. Your provincial plan would likely reimburse \$5,000 or less, leaving you with a bill for more than \$40,000!
