

Cyber Appetite Guide

Canada | Cyber

Offering

- Broad appetite across all industries including, but not limited to: retail, healthcare, higher education, financial institutions, manufacturing, technology, energy companies and all legal entities including, public, private, non-profit and partnerships
- All geographies: worldwide policy backed by AIG's local market expertise that spans a network of over 215 countries and jurisdictions
- Minimum revenue \$25M
- Up to \$10M in available limits

Coverage Highlights

- Coverage broadly available for financial losses attributable to:
 - security or data breach
 - crisis management costs
 - costs to restore, recreate, or recollect electronic data–network interruption, including contingent network interruption
 - cyber/privacy extortion
 - digital media liability
- Additional coverage may be available for purchase of tangible (physical) losses caused by a cyber event, including business interruption, first-party property damage, third-party bodily injury and property damage, and products/completed operations coverage
- Threat profile, business impact, and cyber security controls are evaluated in determining terms and conditions offered on an individual risk basis

AIG Market Differentiators

Claims

- Experienced and dedicated claims team who handle multiple new cyber claims in North America every business day
- Underwriting and claim teams partner to ensure best possible experience for our clients
- Local presence supported by global resources allowing expert claims handling around the world

Cyber Maturity Analytics

- Tailored analytics available on threat profile, control effectiveness, and peer benchmarking (after completing AIG's Cyber Application) that will help clients better understand their cyber maturity and coverage; basic reports are available for applicants, even if they do not bind with AIG

Cyber Risk Consulting

- Complimentary* loss prevention tools and services representing up to \$25,000 MSRP (depending on which services a client chooses to utilize and the size of its organization), including employee eLearning, blacklist IP blocking, and more

*Clients who purchase CyberEdge and spend more than \$5,000 in premium qualify for the above services. AIG may modify (by adding, removing or replacing a tool or service) or discontinue the Services at any time. AIG may partner with third-party vendors to provide any or all Services. In some instances, AIG may have a referral fee structure in place, or an ownership interest, with certain third-party vendors.

Contact:
