## Professional and pollution insurance for the construction and environmental services industries

Continuing our 35+ year commitment to the industry, we are pleased to present the highlights of our updated professional and pollution liability insurance policies.

### Client profile

- General contractors
- Construction managers
- Trade contractors, including but not limited to:
  - Concrete
  - Excavation and grading
  - Heating, ventilation, air conditioning (HVAC)
  - Mechanical, electrical and plumbing
  - Street and road
  - Utility
- Environmental contractors
- Environmental consultants
- Environmental testing laboratories

### Coverage

Professional (claims-made) and Pollution Legal Liability (claims-made or occurrence)

### Capacity

- \$25 million (professional and occurrence pollution)
- \$50 million (claims-made pollution)

### Professional insuring agreements

- **Professional Liability:** Provides coverage for professional loss because of a claim resulting from a negligent act, error or omission in covered professional services.
- **Rectification Expense:** Provides rectification expense to correct actual damages or to prevent potential damages resulting from negligent acts, errors or omission in covered professional services in an effort to correct issues in real time that may arise on a project. This helps avoid or reduce third-party claims and costly litigation.

- **Protective Loss:** Provides indemnity for protective loss, in excess of the design professional's (DP) insurance, resulting from a negligent act, error or omission in DP services. Gives additional protection to our Insured when their subcontracted DP limits of liability are inadequate or eroded.

### Pollution insuring agreements

- **Job Site:** Provides coverage for pollution loss because of a claim arising from a pollution condition that results from contracting services rendered at a job site.
- **Transportation:** Provides coverage for pollution loss resulting from a pollution condition during the course of transportation. The pollution condition may be discovered by our Insured during the course of that transportation or result in a claim against our Insured.
- **Emergency Remediation Expense:** Provides indemnity for emergency remediation expense incurred to address a pollution condition resulting from contracting services or transportation for a period of time prior to providing notice to AXA XL.
- **Pollution Protective:** Provides indemnity for pollution protective loss, in excess of the subcontractor's insurance, resulting from a pollution condition at a job site or in the course of transportation. Gives additional protection to our Insured when their subcontractor's limits of liability are inadequate or eroded.
- **Non-Owned Disposal Site:** Provides coverage for pollution loss because of a claim as a result of a pollution condition at a non-owned disposal site from waste generated through covered contracting services performed at a job site or that originates from your scheduled location.
- **Your Location:** Provides coverage for pollution loss as a result of a sudden and accidental (S&A) pollution condition on, at, under or migrating from your scheduled location.

## Supplemental coverages

- **Disaster Response Expense** in addition to the limits of liability to secure the scene in the event of a disaster and for disaster response costs to protect our Insured's reputation.
- **Green Building Materials Expense** in addition to the limits of liability for use of green building materials in the restoration of property damaged as a result of a pollution condition.
- **Protective Loss/Pollution Protective Loss Bankruptcy Litigation Expense** indemnity for fees and expenses incurred by our Insured for retaining bankruptcy counsel in the making of a Protective Claim or a Pollution Protective Claim against a DP or subcontractor.
- **Litigation Expense** indemnity for loss of earnings and expenses incurred due to an employee's attendance at a deposition, hearing, arbitration, mediation or trial.
- **Subpoena Expense** in addition to the limits of liability for fees and costs of counsel retained in response to a subpoena for documents or testimony.
- **Disciplinary Proceedings Expense** provides Legal Expense in addition to the limits of liability for Professional and Pollution Legal Liability.
- **ADA and FHA Expense** in addition to the limits of liability resulting from a negligent act, error or omission in covered professional services (applicable to U.S. only).
- **Building Information Modeling (BIM) Expense** indemnity due to a malfunction of software used in connection with a BIM system from a third-party vendor.
- **Legal Expense** in addition to the limits of liability for Professional Liability and Pollution Legal Liability.

## Renewal certificates

Available for ease of renewal, our certificates have advantages that can save you time and money.
