FOR OIL & GAS  
PROFESSIONALS WHO  
SPEND LESS TIME  
DOING MANUAL WORK

Oil and Gas professionals such as Drilling Consultants, Wellsite Operators, Environmental Consultants, Geologists, Health and Safety Consultants, Welding Inspectors, Non-destructive Testers and others who may occasionally get their hands dirty, face a unique combination of risks that many traditional insurance policies do not adequately address. That's where Cansure's O&G Consultants Package comes in.

This comprehensive policy provides Oil and Gas professionals, who spend less than 20% of their time doing manual work, with broad coverage for their peace of mind, in one simple package.
