Starr's Contractor Pollution Liability policy offers comprehensive and flexible environmental liability insurance for environmental, operation and maintenance, trade, and construction contractors exposed to potential environmental losses from work performed by you, or on your behalf. The policy is designed to respond to environmental liabilities resulting from pollution incidents at job sites, and is offered on either an occurrence or claims-made basis, depending on the scope of operations and your needs.

Target Risks

Environmental liabilities have the potential to impact almost any company working at a job site. Pollution incidents can occur from a wide variety of activities and completed operations including evacuation, demolition and remolding, restoration activities, and plumbing work.

Our target customers include, but are not limited to:

- Asbestos Abatement Contractors
- Drilling Contractors
- Hazardous Materials Contractors
- Indoor Air Quality Contractors
- Lead Abatement Contractors
- Mold Abatement Contractors
- PCB Abatement Contractors
- Response Contractors
- Remediation Contractors
- Restoration Contractors
- Medical Waste Disposal Contractors
- Tank Installation, Maintenance, and Removal Contractors
- Pipeline Maintenance
- Wetlands Restoration and Construction
- Wastewater Treatment Plant Operators
- Environmental Consulting Field Services
- Trade Contractors
- General Contractors
