

International trade is the lifeblood of the global economy. As new transportation technologies are developed, new maritime risks arise.

That's why it's critical to have an expert who understands those risks and helps you manage them. Starr Insurance has the capacity to meet marine clients' needs. Starr Marine's loss control service sets us apart from other insurance carriers. Our loss control experts support our clients by helping them design thorough, practical plans to effectively mitigate damage and loss, wherever they do business.

Starr offers a complete suite of tailored marine insurance products and services to the commercial shipping and transportation industries. Contact us today to learn more about our significant and long-standing presence in the global marine marketplace.
