Overview

Today's professional expects the best of both worlds from their insurance: an easy, quick buying process, yet comprehensive cover, and all at a competitive price. Our policy is a product designed to surpass these expectations – it is much more than just a professional indemnity insurance. Most small and medium-sized professional risks are suitable, and our experienced team are also happy to consider very specialist or unusual professions. Our modular policy is targeted at key exposures for professional services firms.

Coverage highlights

Full civil liability

We provide full civil liability coverage and cover the costs incurred attending court sessions. Our cover can be extended to include cover for suits brought in the US or Canada.

Breach of contract cover

We provide clear, unambiguous cover for breach of a client contract. We will pay sums which you become legally obliged to pay as a result of a claim by a client made against you, including liability for claimants' costs and expenses.

Withheld fees & claims cover

Our policy includes reimbursement of costs incurred to help reduce or avoid a claim, as well as the payment of fees withheld by an aggrieved client if this mitigates a potentially larger claim.

Intellectual property rights infringement

Our policy covers costs associated with copyright and trademark infringement claims being brought against you, including legal costs, damages, settlements and counterclaims.

Full pollution liability

This feature covers both sudden as well as accidental and gradual pollution, which is an increasingly important exposure as environmental regulations become stricter and more complex.

Liability combined package

Our policy includes a comprehensive package of coverage including products liability, D&O, cyber, legal expenses and employers' liability insurance.
