What is this type of insurance?

This product has been designed for those that need cover for their bicycle and cycling accessories (including personal gear) against theft, accidental or malicious damage, while out riding, stored at their property or securely locked in a public place. It also covers their public liability responsibilities as a road user. Our policy has an annual limit up to the sum insured of the bicycle, and up to £2,000,000 for public liability cover. The policy also includes several additional and optional benefits which are summarised below.

- ✓ Your cycling accessories, personal gear and additional wheelsets up to the value of the benefit limit, if they are stolen or accidentally damaged in the same covered loss as your bicycle and during the period of insurance.
- ✓ Cycle hire and transport reimbursement: the cost of hiring an equivalent bicycle or the reasonable use of public transport, up to the value of the benefit limit, whilst you are awaiting the repair or replacement of your bicycle which arises from a valid claim.
- ✓ Taxi fare reimbursement: if your bicycle is unrideable after an accident or crash, the transport costs for you and your bicycle to the nearest public transport station, bicycle repair shop or your home, or if your bicycle is stolen, the costs of transporting you to your home or the nearest public transport station.
