MAKING A CLAIM

Here's what you should **not** do:

Don't:

Throw damaged items away

Attempt to repair any item you want to claim for without us looking at it first

Pay, offer or agree any money or accept responsibility for loss, damage or liability without our approval

Expect us to take any damaged property if we haven't asked for it

We won't pay any claims unless you have kept to these do's and don'ts as these are conditions of your policy.

HOW WE DEAL WITH YOUR CLAIM

We may:

Arrange to visit any building where loss or damage has taken place

Take any property that is insured by the policy and for which we have agreed to pay a claim for

Take-over, defend or settle a claim made against you. We can also take legal action in your name to get any payment back which we made under this policy.

HOW WE DEAL WITH YOUR CLAIM

Excess

Your excess will be taken away from the amount agreed to settle your claim. The excess will apply to each separate incident. You'll only pay one excess for every incident, even if you claim under more than one section. For example, let's say your Buildings excess is £200 and your Contents excess is £150. If you have combined Buildings and Contents cover and claim under both sections, you'll pay £200 excess.

How we will settle your claim

Once your claim is accepted, we will either:

REPAIR

REBUILD

OR

REPLACE

PROVIDE A CASH PAYMENT OR A VOUCHER

The most we'll pay are the limits shown in your schedule or in this policy. These limits include any clean up costs such as the costs to remove debris from your home and any fees that we would have to pay for your claim.

It might affect your claim if you don't keep your home properly maintained and in good condition. We might pay out less for your claim or refuse to pay it at all. We might even cancel or treat your policy as if it never existed.

If a repair or rebuild isn't carried out, we'll offer you a cash settlement. This will be either the amount your home has gone down in value due to the damage or the estimated repair cost, whichever is lower.

We might agree to pay you in cash instead of repair or replacement through our supplier. If we do, we'll only pay the amount we would have paid our supplier.

You'll need to provide us with proof that you own what you're claiming for. We'll also need to see proof of value (how much it was worth before the loss or damage). If you can't provide this, we may reduce your claim payment or refuse to pay all or part of your claim.

HOW WE DEAL WITH YOUR CLAIM

How we cover matching sets

We treat each individual item or matching set, suite, fixtures and fittings or other similar items as a single item. We'll only pay for the lost or damaged items. If we can't replace the original item like for like, we may contribute towards the cost of replacing the undamaged items. The amount we pay will depend on the number of items damaged, their age and their condition. The most we'll pay is 50%.

Flooring

If a carpet or floor covering is damaged beyond repair, we'll only pay for the damaged part. When we say floor covering we mean wooden flooring, tiles, laminate or vinyl. We won't cover any undamaged carpets or floor coverings in adjoining rooms, even if they're the same colour or design. We will however pay to fit a professionally installed threshold strip. This is a strip of material used to cover up any gaps or joins between rooms.

Make sure you have enough cover

You need to make sure that you have enough cover.

For example, let's say that you are covered up to £100,000 for your home contents. But when you had a claim you found out that the value of your contents was £150,000 then you would be underinsured.

Not enough cover (underinsured):

If you make a claim and don't have enough cover, we might:

- not be able to pay your claim;
- cancel or treat your policy as if it never existed;
- pay out a lower amount. e.g. if your contents were insured for 1/3 less than they should have been, we will only pay 2/3 of your claim.

Enough cover:

£100,000 or less

LIMITS

Remember there might be other limits that affect your payout.

E.g., A single article limit, as shown in your schedule, tells you the maximum amount we will pay for items such as jewellery. Different policy limits apply for items such as contents in the open which is covered up to £1,000.

HOW WE DEAL WITH YOUR CLAIM

What else you need to know

The values of some of your valuables, in particular jewellery, are likely to change a lot over time. We recommend that you have the value of these items checked regularly. If the values change, you must tell your broker straight away.

The 'How to make sure your policy is valid' section is on pages 50–52. It's really important to make sure you understand this section. If you don't meet these conditions, it may affect any claim you make or any cover you have.

Don't admit fault if you or your family are being held responsible for injury or damage. Don't answer any documents you receive. Send them to us straight away, to Covéa Insurance, A&B Mills, Dean Clough, Halifax, HX3 5AX. Please quote your policy number and contact details.

Remember, no policy covers everything. We don't cover certain things such as damage caused by everyday wear and tear and lack of maintenance.

Wear and tear

Such as wet or dry rot or anything which happens slowly over time.

IF YOU DON'T KEEP YOUR HOME PROPERLY MAINTAINED AND IN GOOD CONDITION, IT MIGHT AFFECT YOUR CLAIM

You need to take care of your things. We won't pay claims that could have been prevented if you'd taken better care of them. You can see what your policy doesn't cover by looking at 'What this policy doesn't cover' on pages 47 and 48. They're also stated throughout the document wherever it says 'what we can't cover you for'.

Service with respect

We believe everyone should feel safe and be treated with respect, including while at work.

We reserve the right to deal directly with you regarding your claim, and stop contact with your loss assessor if we decide they have acted in a way that is threatening or abusive to our staff or suppliers. For example threats of violence, swearing, comments about race, sexuality or gender.

HOW WE DEAL WITH YOUR CLAIM

What happens after a claim is settled

After we pay a buildings or contents claim, we'll put the policy limits back to what they were before. We'll only do this after all repair work has been finished and all items replaced. You'll also need to follow any advice we give to stop any more loss or damage.

After we pay a personal belongings or bicycle claim, we'll put the sum insured back to what it was before. After we pay a specified personal belongings claim, we won't cover the items we've replaced. If you need cover for replacement items, please tell your broker.

HELPFUL HINTS & PRODUCT GUIDANCE

Storms and storm damage

The ABI (Association of British Insurers) define a storm as: -

- Wind speeds with gusts of at least 48 knots (55mph, equivalent to Storm Force 10 on the Beaufort Scale) or;
- Torrential rainfall at a rate of at least 25mm per hour or;
- Snow to a depth of at least one foot (30 cm) in 24 hours or;
- Hail of such intensity that it causes damage to hard surfaces or breaks glass

Storms can cause considerable damage to your home but by taking a few simple steps when bad weather has been forecast you can reduce the extent of damage caused. The following are some examples of the things you can do to protect your home: -

- Regularly check the condition of all roofs including garages, sheds and flat roofs for sign of wear and tear.
- Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- Clear away any loose items from your garden to ensure there is nothing that could be carried away by high winds during the storm and damage your home.

Please note that not all damage to your home caused by storm is covered under this policy such as damage to fences, hedges, or gates.

- Move any portable outdoor furniture, or other unsecured items that could cause damage if blown around by high winds, to an outbuilding or secure them to a permanent fixed structure.
- Ensure that all doors and windows are closed and securely fastened.
- Be mindful of low hanging tree branches which could cause damage in high winds and check the trees within your garden for any visible damage following a storm which may require maintenance.

Staying safe online

- Install anti-virus software on all devices and keep it up to date.
- Ensure that your systems and software are kept up to date with the latest versions and software updates.
- Back up your data on a regular basis. This will allow recovery should your data be lost or stolen.
- Most web browsers offer the ability to block pop-up windows from appearing. Switching off pop-ups can protect against harmful ones.
- Always check both privacy settings and parental controls on all of your home and mobile devices.
- Be careful of unexpected e-mails requesting personal information or bank details and never click on links or attachments unless you are sure that you trust the source.
- Be careful when paying invoices received by email and check bank details to ensure that they are correct. Emails can be hacked and details can be changed without you knowing.
- Banks or similar organisations will not ask for your PIN numbers or full passwords. If you are in any doubt, contact the organisation directly to check if a communication is genuine.
- Do not use telephone numbers or links contained within emails.
- Don't use the same passwords for every account. Avoid personal or easily identifiable passwords such as dates of birth or family names and ensure that you are changing your passwords regularly.
- To assist in maintaining the security of your email accounts, take care when responding to requests to verify your login details for email accounts. Some links can redirect you to a legitimate looking screen which will collect your username and password details.

If you have any problems with your personal electronics that you think are related to a cyber attack, you can call the Cyber Support Helpline on **0333 234 2681**

It's important you keep us up to date with any changes that may affect your insurance policy. The information you gave us when you took out your policy is contained within your statement of Insurance. If any of this information is incorrect or has changed, you need to get in touch with your broker. If you don't, it could mean that your policy is no longer valid.

The kind of things that we need to know about are:

- Change in your address.
- Change in your occupation.
- An increase in the value of the contents, personal belongings or bicycles.
- A non family member comes to live with you.
- You or someone who lives with you is charged with or convicted of an offence. This doesn't include driving offences.
- Planning to make any changes to your home such as restoration or renovation.
- You or someone who lives with you receives a County Court Judgement or Individual Voluntary Arrangement.
- Your home is being used for business or professional services. (unless the business use is covered within the working from home section detailed under the helpful hints and product guidance section).
- An increase in the rebuilding costs of your home.
- You or someone who lives with you is declared bankrupt or subject to bankruptcy proceedings.

Please remember that if you don't tell us about changes, it may affect our decision to provide cover. It may also affect the price you paid or the terms of this policy.

We may also in some cases treat your policy as if it never existed.

If you do tell us something was incorrect or has changed, the price of your policy could change, we may also apply further terms by endorsement or no longer be able to provide you with cover.

2. Fraud

If you or your family:

- makes a claim under this policy which is in any part false or exaggerated;
- supports a claim with a false document or statement;
- makes a claim for any loss or damage as a result of your wilful act or if the loss or damage was caused with your agreement or knowledge;
- have committed fraud under any other insurance policy;
- makes an untrue statement, fails to provide us with information we have requested or knowingly provides inaccurate information about their circumstances in order to obtain insurance cover.

We will:

- cancel the policy from the date the fraudulent act was committed;
- not pay any claims which may or may not have been made on the policy;
- recover any money that has already been paid on a claim;
- not return any premium;
- inform the police, other financial services and anti-fraud databases.

3. If you have other insurance

We will not pay for any loss, damage, legal liability or other event giving rise to a claim covered under this policy if you are entitled to be paid by any other insurance which covers the same loss, damage, legal liability or other event.

HOW TO MAKE SURE YOUR POLICY IS VALID

4. Contracts (Rights of Third Parties) Act 1999

Apart from us, only you have the right to make a claim under this cover. This means that a law called the Contracts (Rights of Third Parties) Act 1999 doesn't apply to your cover in relation to any third party rights or interest.

5. Things you need to do when making a claim

If you make a claim, you must:

- tell us as soon as you can;
- tell the local police immediately of any theft or criminal damage. Take a note of any reference number given to you;
- attempt reasonable steps to recover any property which has been lost. For example, calling the lost property departments of places you've been to recently;
- send us all documents and information we ask for.

You must not:

- pay, offer or agree any amount or admit responsibility without our approval;
- leave any property to us without our approval. For example, if something is damaged, say a carpet or furniture, you can't expect us to take this away, unless we ask for it;
- carry out any permanent repairs or get rid of any damaged items. We must be given the opportunity to look at the damage first.

We won't pay any claims unless you have kept to the above conditions.

We may:

- enter any building where loss or damage has happened;
- take control of the remains of any property insured by the policy for which we have agreed to pay a claim;
- take over, defend or settle a claim made against you. We may also take legal action in your name to get back any payment we have made under this policy.

For further information please refer to 'How we deal with your claim' on pages 8 to 12.

6. Leaving your home empty

If you know that your home is not going to be lived in for more than 60 days in a row, you must tell your broker immediately.

When your home is not lived in for more than 60 days in a row we'll treat your home as unoccupied. In these circumstances, we won't provide full cover as shown in the relevant policy section, and the stated restrictions will apply.

Regular visits to the property and staying over once in a while doesn't count as living in it. In these situations the policy will be restricted. However, if you can't live in your home for more than 60 days because of a claim we've accepted, the restrictions won't apply.

7. Building work

If you're planning to have any structural work carried out at your home you must tell your broker at least 7 days before the work starts. These building works might include:

- an extension;
- demolishing any walls;
- renovation; or
- any form of building work.

We'll then decide whether to continue covering you or give you any extra conditions we think are needed. You must tell us first. If you don't, we won't pay any claims caused by any building work taking place.

You don't need to tell us or your broker if you are undertaking:

- internal painting and decorating;
- tiling;
- replacing bathroom suites and/or kitchen fixtures and fittings;
- internal joinery;
- plastering;
- installation/repair of central heating;
- external window replacement.

HOW TO MAKE SURE YOUR POLICY IS VALID

8. If there's more than one name on the policy

Any insured person named on your schedule may make changes to the policy, submit a claim or discuss an existing claim with us. If someone named on the policy wants to be removed, we'll only accept authority from the person being removed. We'll also accept a court order or written agreement from that person's personal representative.

9. Sanctions

No cover is provided and we will not be liable to make any payment or provide any benefit under this policy where doing so would breach any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, United States of America or European Union. Where any such prohibition or restriction applies we retain the right to cancel this policy immediately, in that event you may be entitled to a pro rata refund of the premium, providing that any payment or refund does not breach any prohibition or restriction imposed by law.

10. Does the amount I'm insured for change over time?

The specified personal belongings sums insured are automatically changed in line with changes in the Retail Price Index or an alternative appropriate index. Your schedule will show you the new sum insured amount at each renewal date. If you think this amount isn't enough then please call your broker.

11. Making your home secure

Check your schedule, and where there's a minimum standards of security endorsement, you must make sure all window and door locks meet the standard and are working as specified. If the security is not fitted and applied in line with the endorsement wording, we won't cover loss or damage caused by theft, attempted theft or vandalism.

CANCELLING YOUR POLICY

Your rights to cancel your policy

You can cancel your policy at any time. To do this, contact your broker. Any refund will be calculated as follows:

We will;

- provide a full refund if the insurance has not yet started.
- refund you the amount for the exact number of days left if no claim has been made in the current period of insurance.
- not refund any money if a claim has been made in that period.

If you have a loan agreement with Covéa Insurance to pay for your insurance, we may take the full balance of this loan from any claim we pay. If we don't do this then you may have a balance left to pay when your policy is cancelled. Any money you owe us must be paid to Covéa Insurance as described in your loan agreement.

Our rights to cancel your policy

We, your broker or anyone acting for us can cancel your policy by sending 14 days' notice to your last known address. Some reasons for cancelling include:

- changes to information you gave when you bought the policy mean we can't cover you. To check the information you gave us please look at your statement of insurance or policy schedule;
- for not paying money you owe to your broker or to Covéa Insurance in line with a loan agreement;
- where you don't co-operate with us;
- where you don't tell us of any changes in your circumstances;
- where you commit or attempt fraud;
- where you use threatening or abusive behaviour or language, or intimidate our staff or suppliers. For example threats of violence, swearing, comments about race, sexuality or gender.

If we cancel your policy, we will refund you for the exact number of days left in the current period of insurance. You won't get a refund if you've already made a claim. If we cancel your policy due to fraud, it will be from the date fraud was committed and we will keep any amount you have paid.

We will also inform the police of the circumstances.

If you have a loan agreement with Covéa Insurance to pay for your insurance, you may have a balance left to pay when your policy is cancelled. They must be paid to Covéa Insurance as described in your loan agreement.
