

Office Professions Insurance

OPEN FOR BUSINESS

Specialist insurance for office based businesses, across a wide variety of sectors. From finance, legal and technical to creative, sales and digital services.

What does our Office Professions insurance cover?

This bespoke product is aimed at business services who operate in a professional capacity, who may offer expert advice either internally or externally. Employees will have undertaken formal training and may be members of a chartered profession, institution or association. They may work from a home office, a studio, 'on the road' or 'in the field' or from a specialist facility but the business is likely to have a head office.

Typically, our appetite includes (but not limited to):

- Architects, surveyors and engineering services
- Design, digital and creative agencies
- Marketing and communication services
- Solicitors and legal services
- Estate agents
- Consultants
- Accountants, financial advisors and insurance services
- Human Resource services
- Clerical and administrative services.

Product benefits include

- Conditions precedent free wording
- Full theft cover
- Temporary removal of valuable papers
- Undamaged tenants' improvements
- Equipment breakdown as standard
- Liability covers including PR crisis communication, libel slander and breach of intellectual property rights
- Fine art section within the wording
- We have capacity to write large office risks within our areas of risk appetite.

Normally outside of appetite

- Retail Banks and Building Societies
- Medical based professions
- Investment companies
- Local Authorities
- Debt collection agencies
- Taxi Operators.
