

Hiscox Product Recall
Appetite guide

Hiscox Product Recall

Appetite guide

- Preferred geography – worldwide
- Primary and excess
- Up to \$50 million line

Core appetite

- Food and drink manufacturers
- Pharmaceutical manufacturers
- Consumer durables (toys, clothes, etc.)
- Packaging companies
- Restaurant contamination
- Automotive component part manufacturers
- Aviation component part manufacturers

Will also consider

Bodily injury/property damage trigger for all product lines apart from automotive and aviation where we also offer product guarantee cover.
