WHY PEN?

Pen XoL offers flexible limits to meet the needs of your clients. Additionally, we allow you to quote and bind over 2,500 trades across a wide range of sectors online, via Pen Central. We will offer, as standard, multiple quote options in addition to the limit of cover you requested. On the off chance that a referral is needed for your client, our commitment is to get back with a decision within 12 hours or sooner.

- We cover Archaeologists to Zoologists and thousands of trades in between
- We will give you multiple quote options as standard, saving you additional time
- With a 98% quote rate, we're likely to have a solution for you
- Our XoL can pay out even if the primary insurer applies proportional settlement.
- Our decision to grant cover does not rest solely on the primary insurer's remedy

WHY INCREASE YOUR COVER?

Since the 2017 Ogden Rate changes, Excess of Loss insurance has become more significant and relevant than ever to a wider range of companies and trades.

The impact of this change has significantly increased the potential for higher awards to be made. Many businesses are now increasing their limits of indemnity, either for their own peace of mind or because of contractual obligations.

Given the potential awards it only takes a serious incident affecting a few people for standard limits of indemnity to be exceeded.

WHAT ELSE DO YOU NEED TO KNOW?

The Ogden rate change has prompted many to review their current levels of cover; Pen can provide excess layers for:

- Employers Liability
- Products liability
- Property owners liability
- Public liability
- Non-negligence (not available via Pen Central)
- Third party motor liability (not available via Pen Central)

WHO QUALIFIES?

Almost any UK-domiciled business can be catered for, including those with overseas subsidiaries.

Most primary insurers can be accepted and our policies can be purchased on an annual or single project basis.

We are particularly skilled in handling complex construction risks.

WHY DO BUSINESS WITH PEN?

Pen Underwriting (Pen) is a multi-class, multi-territory Managing General Agent (MGA).

When we set up Pen in 2014, we brought together some of the UK's best known and most respected underwriting businesses, many with decades of underwriting expertise.

From a 'super start-up' of a dozen or so brands, to a single cohesive £650m GWP business, we're setting our sights on our next milestone – with a bold new vision to become a £1bn GWP underwriting & distribution business.

Over the last six years, the businesses have integrated to form one single operation that had broad distribution and acted like an insurer, responsible for everything apart from the capital at risk.

In 2021, with the majority of the integration work done, and with Pen operating as a single business, Pen is redefining itself – not as the business it thought it might become, but as something even better – the business the market needs it to be.

Our values – IDEAS, AGILITY, CONNECTING, FULFILMENT and SOLVING – are built on strong foundations.
