

TECHNICAL RISKS

ONSHORE ENERGY

STARR

Starr Onshore Energy works with international clients to provide specialised insurance coverages tailored to their needs. We build trusted, long-term relationships with industrial companies, insurers and broking houses.

Our experienced underwriting team ensures our insurance reflects the demands of the ever-changing risk environment of our clients’ industries. We offer a variety of coverages that respond in the event of loss or damage to their physical assets, providing the security they need to continue succeeding at the highest level.

As part of a comprehensive and forward-looking risk management service, Starr Onshore Energy delivers demonstrable and strategic value to risk managers and brokers.
