Sum insured

Correct values at risk must be advised to us. If the sums insured you request are not adequate this will result in the amount we pay in the event of a claim being reduced. You should review your sums insured and levels of cover regularly to ensure these remain adequate.

Law applicable

You and we can choose the law which applies to this policy. We propose that the Law of England and Wales will apply. Unless we and you agree otherwise, the Law of England and Wales will apply to this policy.

Making a complaint

If you have a complaint about your policy you should contact your insurance broker or AXA office where it was bought.

If you have a complaint about the emergency helpline you should contact AXA Assistance (UK) Limited.

If we haven't resolved your complaint within eight weeks, or you are unhappy with our final response, you may be eligible to refer your case to the Financial Ombudsman Service.

If applicable, you will receive details of how to do this at the appropriate stage of the complaints process.

Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme. You may be entitled to compensation from the scheme in the unlikely event we cannot meet our obligations to you. This depends on the type of insurance, size of the business and the circumstances of the claim.

Further information about the compensation scheme arrangements is available from the Financial Services Compensation Scheme (www.fscs.org.uk).
