TRANSCENDING CONVENTIONAL RISK BOUNDARIES

Specialty MGA delivers innovative reinsurance solutions across all territories, providing capacity where traditional markets hesitate.

Our approach combines technical excellence with entrepreneurial thinking to transform complex, challenging, and emerging risks into manageable certainties.

WHY CHOOSE US?

Technical Underwriting Excellence

Our team includes former Lloyd's underwriters averaging over 25+ years of market experience, providing unparalleled expertise across specialty lines.

Risk-Bearing Capability

Unlike traditional MGAs, our model incorporates both fee-based agency business and risk participation through our own in-house reinsurance companies. This structure ensures perfect alignment of interests with our capacity providers – we succeed when they succeed.

Technology-Enhanced Underwriting

Our proprietary rating tools and AI-powered analytics enable superior risk selection and pricing accuracy, with demonstrable results in loss ratio performance.

Global Distribution Network

Our strategically located offices in the UK, Italy, Morocco, and the United States provide direct access to quality submissions from over 300 broking relationships worldwide.

Talent Acquisition

Continuing to attract best-in-class underwriters by offering entrepreneurial opportunity backed by strong operational support. Recent additions to our team include industry veterans from major Lloyd's syndicates and international carriers.

Geographic Expansion

Building on the success of our existing international offices with targeted expansion into high-potential markets, particularly in Europe, Africa the Middle East and Asia-Pacific regions.

Product Innovation

Developing specialized products for emerging risks where traditional capacity is limited, including renewable energy, cyber, and parametric solutions.

COMPREHENSIVE COVERAGE OPTIONS

The Liability team have a broad appetite for all aspects of the Casualty account, with a preference for heavy industry risks. This can include a high volume of US production (preferably on a Claims Made policy).

Specialty MGA are well equipped for distressed business, often difficult to place elsewhere or where there is no capacity available in the local market.
