IMPORTANT NOTICES

“**Proposer**” means the practice, partnership, company (or principal if a sole practitioner) including all partners proposing for this insurance, and any subsidiaries and previous firms (and partners) requiring coverage.

Pursuant to the provisions of the *Insurance Contracts Act 1984*, Underwriters are required to notify you of the following relevant information.

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell **Underwriters** anything that you know, or could reasonably be expected to know, may affect **Underwriters** decision to insure you and on what terms.

You have this duty until **Underwriters** agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell **Underwriters** anything that:

- reduces the risk **Underwriters** insure you for; or
- is common knowledge; or
- **Underwriters** know or should know as an insurer; or
- **Underwriters** waive your duty to tell **Underwriters** about.

If You Do Not Tell Underwriters Something

If you do not tell **Underwriters** anything you are required to, **Underwriters** may cancel your contract or reduce the amount **Underwriters** will pay you if you make a claim, or both.

If your failure to tell **Underwriters** is fraudulent, **Underwriters** may refuse to pay a claim and treat the contract as if it never existed.

Claims Made

This is a “claims made” policy of insurance, which means that it only covers claims made against an insured and notified to Underwriters during the period of insurance. By operation of Section 40 (3) of the *Insurance Contracts Act 1984*, where the insured gives notice in writing to the Underwriters of facts that might give rise to a claim against the insured as soon as was reasonably practicable after the insured became aware of those facts but before the insurance cover provided by the contract expired, the insurer is not relieved of liability under the contract in respect of any claim arising from those facts, when made, by reason only that it was made after the expiration of the period of the insurance cover provided by the contract.

Retroactive Liability

The policy may be limited by a retroactive date stated in the schedule. The policy does not provide cover in relation to any claim arising from any actual or alleged act, error, omission or conduct that occurs before the commencement of the policy, unless retroactive liability cover is extended by Underwriters.

Average Provision

One of the insuring provisions of the proposed policy provides that where the amount required to dispose of a claim exceeds the limit of indemnity, the insurer shall be liable only for a part of the total costs and expenses which shall be the same proportion of the total expenses as the limit of indemnity bears to the total amount required to dispose of the claim.

Liability Assumed Under Agreement

Cover provided by this form of liability insurance does not cover additional liability which you have agreed to accept unless you would have been so liable in the absence of such agreement.

Utmost Good Faith

In accordance with Section 13 of the *Insurance Contracts Act 1984*, the policy of insurance is based on utmost good faith requiring Underwriter(s) and the proposer/insured(s) to act towards each other with the utmost good faith in respect of any matter relating to the insurance contract.

The above notes are not exhaustive and in no way should be read in isolation of the full policy terms, conditions, limitations and exclusions.
